

SEATER DIES - REDDING SEATER DIE 338 MARLIN EXPRESS

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

Safety Instruction Guide for SEATER DIES

REDDING SEATER DIE 338 MARLIN EXPRESS

Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 338 MARLIN EXPRESS. This guide provides important safety instructions to ensure the safe and effective use of this product. Please read this manual carefully before use to understand the safety measures and operational guidelines.

General Safety Guidelines

- Always follow the manufacturer's instructions for use and maintenance.
- Ensure that the die is compatible with your reloading equipment and the specific cartridge.
- Keep the product out of reach of children and unauthorized users.
- Inspect the die for any damage or wear before each use. Do not use if damaged.
- Store the die in a safe, dry place when not in use to prevent rust and other damage.
- Report any unsafe conditions or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading components.
- Ensure that the work area is welllit and free from distractions.
- Do not exceed the recommended load specifications for the die.
- Be aware of the potential hazards associated with reloading ammunition, including the risk of explosion or injury.
- Always follow safe reloading practices and guidelines as recommended by reputable sources.

Instructions for Installation and Usage

1. Installation:

- Ensure your reloading press is securely mounted and stable.
- Insert the Redding Seating Die into the reloading press according to the manufacturer's instructions.
- Adjust the die to the correct position for the 338 Marlin Express cartridge, as specified in the product manual.

2. Usage:

- Prepare your cartridge cases by cleaning and inspecting them for defects.
- Place the bullet into the bullet guide of the die.
- Adjust the seating plug to the desired depth for bullet seating.
- Operate the reloading press to seat the bullet into the cartridge case.
- Inspect the seated bullet for proper alignment and depth.

Disposal Instructions

- Dispose of any unused or defective reloading components in accordance with local regulations.
- Do not dispose of ammunition or reloading components in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the SEATER DIES REDDING SEATER DIE 338 MARLIN EXPRESS, please refer to the contact information provided by the manufacturer or retailer at the time of purchase.

This safety instruction guide is designed to ensure that you use the SEATER DIES REDDING SEATER DIE 338 MARLIN EXPRESS safely and effectively. By following these guidelines, you can help prevent accidents and ensure a successful reloading experience. Thank you for your attention to safety.
