Safety Instruction Guide for SEATER DIES SEATER DIE 7MM REM ULTRA MAG

Introduction

Thank you for choosing the SEATER DIES SEATER DIE 7MM REM ULTRA MAG. This product is designed for precision bullet seating in reloading applications. Please read this safety instruction guide carefully to ensure safe and effective use of the die. Following these guidelines will help you avoid potential hazards and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the die in accordance with the manufacturer's instructions.
- Ensure that the die is compatible with your reloading equipment and ammunition.
- Keep the die out of reach of children and unauthorized users.
- Regularly inspect the die for any signs of wear or damage before use.
- Report any unsafe products or incidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper use of the die can lead to personal injury or damage to equipment. Ensure that the die is securely mounted to avoid accidents during operation.
- **Avoiding Hazards:** Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die. Do not exceed the recommended load specifications for your ammunition. Keep hands and body clear of moving parts during operation.
- **AgeRelated Warnings:** This product is intended for use by adults only. Keep it away from children.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure that your reloading press is turned off and unplugged before installation.
 2. Carefully remove the die from its packaging.
 3. Securely attach the die to your reloading press according to the manufacturer's instructions.
 4. Adjust the die to the desired seating depth based on your reloading specifications.
- **Usage:**
 1. Prepare your brass cases and ensure they are clean and free of obstructions.
 2. Insert a bullet into the case mouth and position it under the die.
 3. Slowly raise the press handle to seat the bullet to the desired depth.
 4. Inspect the seated bullet for proper alignment and depth.
 5. Repeat the process for additional rounds, ensuring consistent seating.

Disposal Instructions

- Dispose of the die in accordance with local regulations regarding metal waste.
- If the die is damaged or no longer usable, consider recycling it at a designated facility.
- Do not dispose of the die in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the SEATER DIES SEATER DIE 7MM REM ULTRA MAG, please refer to the manufacturer's website or contact their customer support for assistance. Ensure that you have the product details ready for a more efficient inquiry.

By following these safety instructions, you can ensure a safe and effective reloading experience with your SEATER DIES SEATER DIE 7MM REM ULTRA MAG. Thank you for your attention to safety.
