

BODY DIES - REDDING BODY DIE 30 BR

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Body Dies are designed to full length resize the case body, bump the shoulder position for proper chambering, but not size the neck at all. They are made without internal parts and are intended for resizing cases which have become increasingly difficult to chamber after repeated firing. After using a body die, the case should be run through the neck die to achieve proper neck tension. Sold separately or as part of a set.

Attributes

- Name: [REDDING BODY DIE 30 BR](#)

Safety Instruction Guide for BODY DIES REDDING BODY DIE 30 BR

Introduction

Thank you for choosing the BODY DIES REDDING BODY DIE 30 BR. This guide provides important safety instructions and usage information to ensure the safe operation of this product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this manual.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Always inspect the product for any signs of damage before use. Do not use if damaged.
- Store the product in a dry, cool place away from direct sunlight and extreme temperatures.
- Follow all local regulations regarding the use and disposal of reloading equipment.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when using the body die.
- Ensure that the work area is wellventilated to avoid inhalation of dust or fumes.
- Do not exceed the recommended load specifications for the die.
- Handle all reloading components with care to avoid accidental discharge or injury.
- If you experience any discomfort or adverse reactions while using the product, stop immediately and seek medical advice.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary materials, including the BODY DIES REDDING BODY DIE 30 BR, a reloading press, and cases to be resized.
- Ensure that your workspace is clean and organized.

2. Installation

- Securely mount the BODY DIES REDDING BODY DIE 30 BR into your reloading press according to the manufacturer's instructions.
- Check that the die is properly aligned and tightened before use.

3. Usage

- Insert the case into the die and ensure it is seated correctly.
- Operate the reloading press smoothly, applying consistent pressure to resize the case body and bump the shoulder.
- After resizing, remove the case and inspect it for any defects.
- Follow up by running the resized case through a neck die to achieve proper neck tension.

4. PostUsage

- Clean the die after use to prevent buildup of debris and ensure longevity.
- Store the die in its original packaging or a safe location.

Disposal Instructions

- Dispose of any damaged or wornout components in accordance with local waste disposal regulations.
- Do not throw away the product in regular household waste.
- If necessary, contact local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the BODY DIES REDDING BODY DIE 30 BR, please refer to the manufacturer's customer support resources. Ensure you have the product details at hand for efficient assistance.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the BODY DIES REDDING BODY DIE 30 BR. Always prioritize safety and compliance with local regulations during your reloading activities. Thank you for your attention to safety!
