

VLD .264 CALIBER (0.264") RIFLE BULLETS - BERGER BULLETS VLD 6.5MM (0.264") 130GR BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger Target bullet line is made up of the many legendary bullets that have been winning matches and setting records for decades. Berger Bullets was started because Walt Berger wanted better results while competing in target shooting matches. Making Match Grade bullets for target competition shooters is Berger's core competency. All of Berger's success as the producer of consistent bullets for Varmint, Target and Hunting stems from the efforts Berger has made to produce the best bullets available for the extreme, precision focused, target competition shooter.

Safety Instruction Guide for VLD .264 Caliber (0.264") Rifle Bullets

Introduction

Thank you for choosing the Berger 6.5mm 130 gr Match Target VLD Bullets. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of this product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe practices.

General Safety Guidelines

- Always handle ammunition with care and ensure it is stored in a secure location away from children and unauthorized users.
- Be aware of local laws and regulations regarding the purchase, storage, and use of ammunition.
- Inspect bullets for any visible damage or defects before use. Do not use damaged bullets.
- Ensure that all firearms used with these bullets are in good working condition and suitable for the specified caliber.
- Follow all instructions provided by the firearm manufacturer regarding ammunition compatibility and usage.

Specific Safety Precautions for Use

- Use appropriate safety gear, including eye and ear protection, when handling or firing ammunition.
- Never point a firearm at anything you do not intend to shoot.
- Keep your finger off the trigger until you are ready to fire.
- Be mindful of your surroundings and ensure a safe shooting environment.
- Avoid using these bullets in firearms not designed for the .264 caliber.
- Do not attempt to modify or alter the bullets in any way.

Instructions for Installation and Usage

- Ensure you have the correct tools and equipment for loading and firing the bullets.
- Follow these steps for loading the bullets:
 1. **Check the Firearm:** Verify that the firearm is unloaded and safe to handle.
 2. **Prepare the Cartridge:** Use the appropriate reloading equipment for the .264 caliber.
 3. **Load the Bullet:** Insert the bullet into the cartridge case according to the specifications for the VLD style.
 4. **Check for Proper Seating:** Ensure the bullet is seated correctly and securely in the cartridge.
- When ready to fire:
 1. **Inspect the Firearm:** Ensure the firearm is clean and functioning properly.
 2. **Load the Ammunition:** Insert the loaded cartridge into the chamber as per the firearm's instructions.
 3. **Aim Safely:** Point the firearm downrange and ensure a safe backdrop.
 4. **Fire:** Follow standard firing procedures, maintaining safety at all times.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw bullets in regular trash. Consult local authorities for safe disposal methods.
- For damaged or defective bullets, contact your local hazardous waste disposal facility for guidance.

Contact Information for Further Support

For any inquiries regarding safety or product information, please consult your local authorities or visit the EU Safety Gate platform for updates on recalls and safety alerts.

Thank you for prioritizing safety while using Berger 6.5mm 130 gr Match Target VLD Bullets. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
