Safety Instruction Guide for Redding Full Length Sizing Die 350 Rem Mag

Introduction

Thank you for choosing the Redding Full Length Sizing Die for 350 Remington Mag cartridges. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of the product. Please read this manual carefully before using the die.

General Safety Guidelines

- Always wear appropriate safety gear, including safety glasses and gloves, when handling reloading equipment.
- Ensure your workspace is clean, organized, and free from distractions.
- Keep the die and all reloading components out of reach of children and unauthorized persons.
- Regularly inspect the die for wear or damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding ammunition reloading and storage.

Specific Safety Precautions for Use

- Ensure that the die is compatible with your reloading press before installation.
- Use a headspace gauge when setting up the sizing die to ensure proper cartridge dimensions.
- Avoid overtightening the die in the press, as this can cause damage or unsafe conditions.
- Do not exceed the recommended load data when reloading ammunition.
- Always doublecheck your work to prevent mistakes in the reloading process.

Instructions for Installation and Usage

1. Installation:

- Remove the die from its packaging and inspect it for any visible damage.
- Ensure your reloading press is securely mounted and clean.
- Screw the die into the press until it is snug. Do not overtighten.
- Adjust the die to the desired position, ensuring it will properly size the cartridge.

2. Usage:

- Insert an empty cartridge case into the shell holder of your reloading press.
- Pull the handle of the press to size the cartridge. Ensure the case is fully sized before removing it.
- Inspect the sized case for any defects or issues.
- Repeat the process for additional cases, maintaining careful attention to detail.

Disposal Instructions

- Dispose of any used or damaged dies in accordance with local regulations.
- Do not dispose of reloading components in regular household waste. Check for local recycling options or hazardous waste disposal facilities.

Contact Information for Further Support

For any safety inquiries or further support, please refer to the product packaging for contact details. It is important to have access to an EU-based contact for assistance related to safety and product concerns.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your Redding Full Length Sizing Die. Always prioritize safety and stay informed about best practices in ammunition reloading. Thank you for your attention to these important safety measures.
