

# TRIPLE SHOT X® 338 CALIBER (.338") RIFLE BULLETS - BARNES BULLETS TSX 338 CALIBER (0.338") BT 185GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

Barnes 338 cal. 185 gr. Triple Shock X Bullets - 50

## Attributes

- Name: [BARNES BULLETS TSX 338 CALIBER \(0.338"\) BT 185GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

# TRIPLE SHOT X® 338 Caliber (.338") Rifle Bullets Safety Instructions

## Introduction

Thank you for choosing the TRIPLE SHOT X® 338 Caliber (.338") Rifle Bullets. This guide provides essential safety instructions to ensure the safe use and handling of this product. Please read this manual carefully and follow all safety guidelines to prevent accidents and injuries.

## General Safety Guidelines

- Ensure that all users of this product are familiar with safe handling practices for ammunition and firearms.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Always handle ammunition with care to avoid accidental discharge.
- Use only in firearms specifically designed for .338 caliber ammunition.
- Follow all local laws and regulations regarding the purchase, possession, and use of ammunition.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing firearms.
- Do not attempt to modify or disassemble the bullets.
- Inspect the ammunition for any signs of damage or corrosion before use.
- Do not use bullets that appear to be damaged or deformed.
- Ensure that your firearm is in good working condition and properly maintained.
- Do not exceed the manufacturer's recommended load specifications.
- Avoid using ammunition in firearms that are not rated for .338 caliber bullets.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary equipment, including your firearm, ammunition, and safety gear.
- Ensure that your firearm is unloaded before handling ammunition.

### 2. Loading the Firearm:

- Open the action of the firearm to ensure it is clear.
- Insert the TRIPLE SHOT X® 338 caliber bullets into the magazine or chamber as per the firearm's specifications.
- Close the action securely.

### 3. Firing:

- Aim your firearm in a safe direction.
- Ensure that the area is clear of people and obstacles.
- Fire only when you are confident it is safe to do so.

### 4. PostUse:

- After firing, ensure the firearm is unloaded and cleaned as per the manufacturer's instructions.
- Store any unused bullets in their original packaging in a secure location.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets in accordance with local laws and regulations.
- Do not throw bullets in regular trash.
- Contact local hazardous waste disposal facilities for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the TRIPLE SHOT X® 338 Caliber (.338") Rifle Bullets, please reach out to the designated EU contact point as provided by the manufacturer.

Remember to report any unsafe products or incidents to the appropriate authorities and check for recall updates on the EU's Safety Gate platform. Your safety is our priority. Thank you for your attention to these important safety guidelines.
