

VLD HUNTING 270MM (0.277") VLD BOAT TAIL BULLETS - BERGER BULLETS 270 CALIBER (0.277") 130GR VLD BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger VLD Hunting Bullet is one of the flattest shooting hunting bullets in the industry. VLD Hunting Bullets are identical in design to VLD Target bullets except utilize a thinner J4 Precision jacket for rapid expansion during game applications. VLD Hunting Bullets are designed to penetrate 2-3" and then begin to expand and create a massive wound cavity up to 15". The hydrostatic shock causes most animals to drop immediately. VLD Hunting Bullets incorporate a secant ogive design which allows the bullet to experience less drag as it travels to the target. This reduced drag is why the VLD shoots flatter, experiences less wind-drift, and has a higher retained velocity than all others. A favorite load technique for the VLD's is touching the rifling for single-shot applications, although some rifles may prefer as much as .150" from the rifling. Berger VLD Hunting Bullets are extremely popular for long range hunting applications. Built with highly consistent J4 Precision Bullet jackets, most favored by custom bullet makers.

Berger 270 cal 130 gr Match Hunting VLD Bullets - 100

VLD Hunting 270mm (0.277") VLD Boat Tail Bullets Safety Instructions

Introduction

Thank you for choosing the VLD Hunting 270mm (0.277") VLD Boat Tail Bullets by Berger Bullets. This guide provides important safety instructions to ensure the safe use of this product. Please read and follow all instructions carefully to minimize risks associated with handling and using ammunition.

General Safety Guidelines

- Always treat all ammunition as if it is live and capable of firing.
- Store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Use appropriate protective gear, including safety glasses and hearing protection, when handling or firing ammunition.
- Familiarize yourself with local laws and regulations regarding the purchase, storage, and use of ammunition.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm you are using is compatible with the 270 caliber (0.277") ammunition.
- Always inspect ammunition before use for any signs of damage or defects.
- Do not attempt to modify or disassemble ammunition.
- Only use ammunition in firearms that are in good working condition and have been maintained properly.
- Follow the manufacturer's instructions for your specific firearm regarding loading, unloading, and firing.
- Avoid using ammunition in extreme temperatures or conditions that may affect performance.

Instructions for Installation and Usage

• Loading Ammunition:

- Open the ammunition box carefully to avoid spilling or dropping bullets.
- Load bullets into the magazine or chamber of the firearm according to the manufacturer's instructions.

• Firing:

- Ensure the firearm is pointed in a safe direction before firing.
- Check to ensure the area is clear of people and obstacles before taking aim.
- Fire only when you are confident in your target and the surrounding environment.

• Unloading:

- Follow the manufacturer's instructions for safely unloading the firearm after use.
- Store any unused ammunition properly as per the general safety guidelines.

Disposal Instructions

- Dispose of any damaged or defective ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash or recycling bins.
- Contact your local waste management authority for guidance on safe disposal options.

Contact Information for Further Support

For any safety inquiries or concerns regarding the VLD Hunting 270mm (0.277") VLD Boat Tail Bullets, please consult the manufacturer's website or customer service resources. Ensure that you have your product information ready for a more efficient response.

By adhering to these guidelines, you contribute to a safer shooting experience for yourself and others. Thank you for your attention to safety.
