Safety Instruction Guide for REDDING/MOULD HANDLES

Introduction

Thank you for choosing the REDDING/MOULD HANDLES. These handles are designed for use with SAEKO mould blocks, ensuring a reliable and safe casting experience. This guide provides essential safety instructions to help you use our product safely and effectively, in line with EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Inspect the handles before each use for any signs of damage or wear. Do not use if damaged.
- Keep the handles out of reach of children and vulnerable individuals.
- Always use the handles in a wellventilated area to avoid inhalation of any fumes or dust.
- Report any unsafe product experiences to the relevant authorities.

Specific Safety Precautions for Use

- **Weight Limit:** Do not exceed the weight limit of the mould handles as specified by the manufacturer.
- **Grip:** Always ensure that your hands are dry and clean before using the handles to prevent slipping.
- **Hot Surfaces:** Be cautious of hot surfaces when using the moulds. Use protective gloves if necessary.
- **Storage:** Store the handles in a dry place away from extreme temperatures and moisture.
- **Children:** Keep the handles away from children. They are not toys and should not be used by anyone under the age of 18.

Instructions for Installation and Usage

1. Installation:

- Ensure that your SAEKO mould blocks are clean and free of debris.
- Align the mould handles with the designated fittings on the mould blocks.
- Securely attach the handles, ensuring they are locked in place before use.

2. Usage:

- Hold the handles firmly while operating the mould blocks.
- Do not apply excessive force that could cause the handles or mould blocks to break.
- After use, allow the moulds to cool down before handling to avoid burns.

Disposal Instructions

- Dispose of the REDDING/MOULD HANDLES in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, look for recycling facilities or designated disposal sites for metal and wood materials.

Contact Information for Further Support

For safety inquiries or further support, please contact the manufacturer or retailer from whom you purchased the product. Ensure you have the product details available for reference.

By following these guidelines, you can help ensure a safe and enjoyable experience with your REDDING/MOULD HANDLES. Thank you for your attention to these important safety instructions.
