

# BODY DIES - BODY DIE 303 BRITISH

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Body Dies are designed to full length resize the case body, bump the shoulder position for proper chambering, but not size the neck at all. They are made without internal parts and are intended for resizing cases which have become increasingly difficult to chamber after repeated firing. After using a body die, the case should be run through the neck die to achieve proper neck tension. Sold separately or as part of a set.

# **BODY DIES BODY DIE 303 BRITISH Safety Instruction Guide**

## **Introduction**

Thank you for choosing the BODY DIES BODY DIE 303 BRITISH. This product is designed to help you resize your rifle cases effectively. To ensure your safety and the proper use of this product, please read the following safety instructions carefully.

## **General Safety Guidelines**

- Ensure that you are familiar with the operation of the BODY DIES BODY DIE 303 BRITISH before use.
- Always wear appropriate safety gear, including safety glasses and gloves, when handling this product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the BODY DIES BODY DIE 303 BRITISH for any signs of damage before use. Do not use if damaged.
- Follow all local laws and regulations regarding the use of reloading equipment and ammunition.
- Report any unsafe products or accidents to the relevant authorities.

## **Specific Safety Precautions for Use**

- Only use the BODY DIES BODY DIE 303 BRITISH with cases that are designed for the .303 British cartridge.
- Do not attempt to resize cases that are excessively damaged or deformed.
- Ensure that your reloading press is compatible with the BODY DIES BODY DIE 303 BRITISH.
- Always operate the die in a wellventilated area to avoid inhalation of any particles.
- Avoid wearing loose clothing or jewelry that may become caught in machinery.
- Keep your work area clean and organized to prevent accidents.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Secure the BODY DIES BODY DIE 303 BRITISH into your reloading press according to the manufacturer's instructions.
- Ensure that the die is tightened properly to prevent movement during operation.

### **2. Usage:**

- Insert the fired case into the die.
- Operate the reloading press to resize the case body and bump the shoulder position.
- After resizing, remove the case from the die and inspect for proper sizing.
- Follow up by running the resized case through the neck die to achieve proper neck tension.

## **Disposal Instructions**

- Dispose of any damaged or unusable components of the BODY DIES BODY DIE 303 BRITISH according to local regulations.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the BODY DIES BODY DIE 303 BRITISH, please reach out to your retailer or the manufacturer directly. Ensure you have your product details at hand for a more efficient resolution.

Thank you for your attention to these safety instructions. Enjoy your reloading experience safely and responsibly.
