

# BODY DIES - BODY DIE 284 WIN

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Body Dies are designed to full length resize the case body, bump the shoulder position for proper chambering, but not size the neck at all. They are made without internal parts and are intended for resizing cases which have become increasingly difficult to chamber after repeated firing. After using a body die, the case should be run through the neck die to achieve proper neck tension. Sold separately or as part of a set.

# BODY DIES BODY DIE 284 WIN Safety Instruction Guide

## Introduction

Thank you for choosing the BODY DIES BODY DIE 284 WIN. This product is designed to help you resize your cartridge cases effectively, ensuring they fit properly in your rifle chamber. It is important to follow safety instructions to ensure safe and effective use of this product.

## General Safety Guidelines

- Ensure that you are using the BODY DIES BODY DIE 284 WIN in accordance with the manufacturer's instructions.
- Always wear appropriate safety gear, such as safety glasses, when handling reloading equipment.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage to the die before use.
- Do not use the die for any purpose other than its intended use.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Before using the die, read and understand all instructions provided.
- Ensure that you are using the correct cartridge type (284 Winchester) for this die.
- Only resize cases that have become difficult to chamber due to repeated firing.
- After using the body die, always run the case through a neck die to ensure proper neck tension.
- Avoid overtightening the die in the press, as this may cause damage to the die or the press.
- Do not attempt to modify or repair the die. If you experience issues, contact a qualified professional.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your reloading press is clean and free from debris.
- Insert the BODY DIES BODY DIE 284 WIN into the press according to the manufacturer's guidelines.
- Secure the die in place without overtightening.

### 2. Usage

- Prepare your cartridge cases by cleaning them thoroughly before resizing.
- Place the case into the die and ensure it is seated correctly.
- Operate the reloading press according to the manufacturer's instructions to resize the case body and bump the shoulder position.
- After resizing, remove the case and inspect it for proper sizing.
- Run the resized case through the neck die to achieve the desired neck tension.

## Disposal Instructions

- Dispose of any used or damaged cartridge cases and reloading materials in accordance with local regulations.
- Do not throw the BODY DIES BODY DIE 284 WIN in regular household waste.
- Consider recycling options for metal components where applicable.

## **Contact Information for Further Support**

For any questions or concerns regarding the BODY DIES BODY DIE 284 WIN, please refer to the manufacturer's website or contact their customer support for assistance.
