Safety Instruction Guide for THANDLE HEX TOOL SET W/STAND SAE HEX THANDLE 10PIECE SET

Introduction

Thank you for choosing the Bondhus THandle Hex Tool Set. This set is designed for safe and effective use in various applications, including gun rooms and reloading benches. To ensure your safety and the longevity of the product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the tool set is used only for its intended purpose.
- Keep the tool set out of reach of children and vulnerable individuals.
- Inspect the tools before each use for any signs of damage or wear.
- Store the tool set in a dry place to prevent rust and deterioration.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the correct size wrench for the fastener to avoid stripping or damaging the fastener.
- Do not use the tool set for any application that exceeds the tool's specifications.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using tools.
- Do not use the tool set if you are tired, distracted, or under the influence of substances that impair your ability to operate tools safely.
- When using the tool set, maintain a stable body position and secure footing to prevent slips and falls.

Instructions for Installation and Usage

1. Selecting the Right Tool:

- Choose the appropriate wrench size from the set, ranging from 3/32 inch to 3/8 inch.

2. Using the Tool:

- Grip the cushioned handle firmly for better control.
- Align the wrench with the fastener and apply gentle pressure to turn. Do not force the tool.
- If resistance is encountered, check if the correct size is being used and ensure the fastener is not damaged.

3. After Use:

- Clean the tools after use to remove any debris or contaminants.
- Return the tools to the bench stand for safe storage and easy accessibility.

Disposal Instructions

- Dispose of the tool set in accordance with local regulations regarding metal and tool disposal.
- Do not dispose of the tool set in household waste. Instead, consider recycling options or designated disposal facilities.

Contact Information for Further Support

For any inquiries related to safety or product issues, please refer to the contact details provided with your product packaging or on the manufacturer's website.
