

# TRIM DIES - REDDING TRIM DIE 30-40 Krag

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

# Safety Instruction Guide for Redding Trim Die 3040 Krag

## Introduction

Thank you for choosing the Redding Trim Die 3040 Krag. This product is designed to help you file trim your cases safely and efficiently without unnecessary resizing. To ensure your safety and the proper use of this product, please read this guide carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Inspect the product before each use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals.
- Ensure a clean and organized workspace to prevent accidents.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only with compatible cases as specified in the product guidelines.
- Avoid excessive force when trimming to prevent injury or damage to the product.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Do not operate the die if you are tired or under the influence of substances that may impair your judgment.
- Ensure that all tools and equipment used with the die are in good condition.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and safety equipment.
- Ensure your workspace is clean and welllit.

### 2. Installation:

- Attach the Redding Trim Die to your reloading press according to the manufacturer's instructions.
- Ensure it is securely fastened to prevent any movement during operation.

### 3. Usage:

- Insert the case you wish to trim into the die.
- Adjust the die settings according to the specific requirements for the 3040 Krag cartridge.
- Gently operate the press to trim the case. Avoid applying excessive force.
- After trimming, remove the case and inspect it for any defects.

### 4. PostUse:

- Clean the die after each use to prevent debris buildup.
- Store the die in a safe, dry place away from children and pets.

## Disposal Instructions

- Dispose of any damaged or worn components in accordance with local waste disposal regulations.

- Recycle materials where possible to minimize environmental impact.

## **Contact Information for Further Support**

For questions or concerns regarding the safety and use of the Redding Trim Die 3040 Krag, please refer to the manufacturer's contact information provided with your product. Additionally, you can check for recall updates and safety alerts on the EU's Safety Gate platform.

Thank you for prioritizing safety while using the Redding Trim Die 3040 Krag. Your adherence to these guidelines helps ensure a safe and effective reloading experience.
