

TRIM DIES - REDDING TRIM DIE 338 LAPUA MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

Redding Trim Die 338 Lapua Mag Safety Instructions

Introduction

Thank you for choosing the Redding Trim Die 338 Lapua Mag. This product is designed to assist you in trimming your cases without unnecessary resizing, providing a reliable solution for case forming and necking brass. Please read this safety instruction guide carefully to ensure safe and effective use of this product.

General Safety Guidelines

- Always ensure that you are using the Redding Trim Die in a safe environment, free from distractions.
- Keep the die and all related tools out of reach of children and vulnerable individuals.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all manufacturer instructions and guidelines to avoid accidents and injuries.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use the die only for the intended purpose of trimming cases.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, while operating the die.
- Ensure that your work area is welllit and organized to prevent accidents.
- Do not attempt to modify the die or use it in a manner not specified by the manufacturer.
- If you experience any unusual resistance or difficulty while using the die, stop immediately and inspect for issues.

Instructions for Installation and Usage

1. Installation:

- Securely mount the Redding Trim Die in a compatible reloading press.
- Ensure that the die is aligned properly and tightened according to the manufacturer's specifications.
- Check that the die is clean and free from debris before use.

2. Usage:

- Prepare your cases by cleaning them to remove any dirt or residue.
- Insert the case into the die, ensuring it is seated properly.
- Operate the reloading press smoothly, applying steady pressure to trim the case.
- After trimming, inspect the case to ensure it meets the desired specifications.
- Store the die in a safe and dry location when not in use.

Disposal Instructions

- Dispose of any damaged or wornout parts of the die according to local regulations.
- Do not dispose of the die in household waste. Instead, check for local recycling programs that accept metal products.
- Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any inquiries or additional support regarding the Redding Trim Die 338 Lapua Mag, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your Redding Trim Die. Thank you for prioritizing safety in your reloading practices.
