

# TRIM DIES - REDDING TRIM DIE 375 REM ULTRA MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

# Safety Instruction Guide for Redding Trim Die 375 Rem Ultra Mag

## Introduction

Thank you for choosing the Redding Trim Die 375 Rem Ultra Mag. This product is designed to assist you in trimming your cases efficiently and safely. Please read this guide carefully to ensure safe usage and proper handling of the product.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear before use.
- Do not use the product if it appears to be damaged or malfunctioning.
- Follow all local regulations and guidelines related to the use of reloading equipment.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the trim die.
- Be aware of your surroundings and ensure that the work area is clean and free from hazards.
- Avoid distractions while using the trim die to maintain focus and control.
- Use the trim die only for its intended purpose; do not attempt to modify or adapt it for other uses.
- Ensure that the die is securely mounted and stable before beginning the trimming process.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is compatible with the Redding Trim Die.
- Carefully follow the manufacturer's instructions for mounting the die onto your reloading press.
- Tighten all screws and fittings securely to prevent any movement during use.

### 2. Usage:

- Prepare your brass cases by cleaning and inspecting them for damage.
- Insert the case into the trim die according to the manufacturer's guidelines.
- Apply consistent pressure when operating the press to achieve uniform trimming.
- After trimming, inspect the cases to ensure they meet the desired specifications.
- Store the trim die in a dry, safe place when not in use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal and plastic waste.
- Do not dispose of the product in household waste.
- If the product is damaged beyond repair, consider recycling the materials where possible.

## Contact Information for Further Support

For any questions or concerns regarding the Redding Trim Die 375 Rem Ultra Mag, please refer to the

manufacturer's website or contact their customer service for assistance. Ensure that you have the product details ready for a more efficient response.

Thank you for prioritizing safety and responsible usage. Enjoy your reloading experience with the Redding Trim Die!
