NOSLER® PARTITION 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS

The benchmark for hunting bullets since 1948, Nosler's Partition® bullet is the cornerstone upon which the entire company was founded. The Nosler® Partition® front lead core is designed to expand and transfer massive shock and energy while the partition houses the rear lead core to maximize weight retention. The Nosler® Partition® delivers bone crushing energy, a massive wound channel, and deep penetration. FEATURES: Nosler Engineering Nosler's special lead-alloy, dual core provides superior mushrooming characteristics at virtually all impact velocities. Fully Tapered Copper-Alloy Jacket Ruptures instantly at the thin jacket mouth, yet the gradual thickening along the bullet's axis controls expansion and curls the jacket uniformly outward at high and low velocities. Nosler's Integral Partition Supports the expanded mushroom and retains the rear lead-alloy core. The enclosed rear core retains more than two-thirds of the original bullet weight for deep penetration. Dual Core Construction Every Partition® bullet in the Nosler® line delivers optimum length, weight and ogive design for maximum in-flight and terminal performance. Special Crimp Locks Adds strength to resist deformation under the pressure of heavy magnums.

Attributes

- Name: [8MM \(0.323"\) 200GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749005473
- Mfr. No.: 35277
- Ballistic Coefficient (G1): 0.426
- Brand Style: Partition
- Bullet Style: Spitzer
- Caliber: 8mm
- Diameter (Breech): 0.323
- Diameter (in): 0.323
- Grain: 200
- Sectional Density: 0.274
- Quantity: 50
- Delivery weight: 0.703kg
- Shipping height: 53mm
- Shipping width: 64mm
- Shipping length: 79mm
- UPC: 054041352772

Safety Instruction Guide for Nosler® Partition® 30 Caliber (0.308") Flat Base Spitzer Rifle Bullets

Introduction

Thank you for choosing Nosler® Partition® 30 Caliber (0.308") Flat Base Spitzer Rifle Bullets. This guide provides essential safety instructions to ensure safe handling, usage, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place, away from direct sunlight and heat sources.
- Keep ammunition out of reach of children and unauthorized persons.
- Use appropriate protective equipment, such as safety glasses and hearing protection, when handling or firing ammunition.
- Ensure that your firearm is compatible with the ammunition before use.
- Follow all local laws and regulations regarding the use and storage of ammunition.
- Regularly check for product recalls and safety updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are of legal age to purchase and use this ammunition.
- Always read the firearm's manual and follow the manufacturer's safety instructions.
- Inspect the ammunition visually for any signs of damage or defects before use.
- Do not use ammunition that appears to be damaged or corroded.
- Avoid mixing different types of ammunition.
- Do not exceed the recommended load specifications for your firearm.
- If a misfire occurs, wait at least 30 seconds before attempting to remove the cartridge from the chamber.
- Seek immediate medical attention if you experience any injuries or accidents while using the product.

Instructions for Installation and Usage

- Before loading the ammunition, ensure that the firearm is pointed in a safe direction.
- Load the ammunition into the magazine or chamber according to the firearm's manual.
- Always keep your finger off the trigger until you are ready to shoot.
- Maintain a proper shooting stance and grip on the firearm.
- After firing, keep the firearm pointed downrange and wait for a few moments before checking for any malfunctions.
- Store any unused ammunition in its original packaging to maintain its integrity.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash.
- Contact local law enforcement or hazardous waste disposal services for proper disposal methods.
- Ensure that the ammunition is rendered unusable before disposal.

Contact Information for Further Support

For any safety inquiries or additional support, please refer to the appropriate EU-based contact point dedicated to product safety.

Remember, safety is paramount when handling ammunition. By following these guidelines, you contribute to a safer shooting environment for yourself and others. Thank you for your attention to safety.
