

# TRIPLE SHOT X® 338 CALIBER (.338") RIFLE BULLETS - BARNES BULLETS TSX 338 CALIBER (0.338") BOAT TAIL 210GR 50/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

This lead-free, 100% copper-constructed bullet provides extreme penetration every time. Typically, this premium hunting bullet retains 100% of its original weight even after smashing through dense tissue and heavy bone. The Triple - Shock bullet design incorporates a series of precisely positioned rings cut into the bullet's body. These grooves relieve firing pressure, allowing the TSX to be safely loaded to higher velocities while reducing copper fouling. The bonus is that this is one of the most accurate hunting bullets you can buy.

## Attributes

- Name: [BARNES BULLETS TSX 338 CALIBER \(0.338"\) BOAT TAIL 210GR 50/BOX](#)
- Manufacturer: [BARNES BULLETS](#)

# Safety Instruction Guide for TRIPLE SHOT X® 338 CALIBER RIFLE BULLETS

## Introduction

Thank you for choosing the TRIPLE SHOT X® 338 CALIBER (.338") RIFLE BULLETS by BARNES BULLETS. This guide provides essential safety information to ensure the safe use and handling of these premium hunting bullets. Please read this document carefully and follow the guidelines to minimize risks and enhance your shooting experience.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use of rifle bullets.
- Always store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized individuals.
- Use appropriate protective gear, including eye and ear protection, when handling and firing ammunition.
- Regularly inspect your firearm and ammunition for damage or defects before use.
- Follow all manufacturer instructions for your firearm to ensure compatibility with these bullets.

## Specific Safety Precautions for Use

- Do not exceed the recommended load specifications for your firearm.
- Avoid using damaged or corroded bullets, as they may pose a safety risk.
- Always ensure the firearm is pointed in a safe direction when loading or unloading bullets.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Do not attempt to modify or alter the bullets in any way.
- If a bullet fails to fire, follow the manufacturer's guidelines for handling misfires safely.

## Instructions for Installation and Usage

### 1. Loading the Bullets:

- Ensure your firearm is unloaded before beginning the loading process.
- Open the ammunition box and carefully remove the desired number of bullets.
- Follow the specific loading instructions provided by your firearm manufacturer.
- Insert the bullets into the magazine or chamber according to the firearm's design.

### 2. Firing the Bullets:

- Before firing, doublecheck that your firearm is properly loaded and that the safety mechanism is disengaged.
- Position yourself in a stable shooting stance, ensuring a firm grip on the firearm.
- Aim at the designated target, and make sure the area is clear of people and obstacles.
- Squeeze the trigger gently and steadily to fire the bullet.

### 3. After Firing:

- Once you have finished shooting, ensure the firearm is pointed in a safe direction.
- Engage the safety mechanism and unload the firearm according to the manufacturer's instructions.
- Store any remaining bullets in a secure location.

## **Disposal Instructions**

- Dispose of any unused or damaged bullets according to local regulations.
- Do not throw bullets in regular trash. Instead, contact local authorities or a hazardous waste disposal facility for proper disposal methods.
- Always ensure that bullets are stored safely until they can be disposed of appropriately.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIPLE SHOT X® 338 CALIBER RIFLE BULLETS, please refer to the manufacturer's contact information provided with the product packaging.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience while using TRIPLE SHOT X® 338 CALIBER RIFLE BULLETS. Thank you for prioritizing safety in your shooting activities.
