

270 WINCHESTER PREMIUM BRASS - NOSLER 270 WINCHESTER BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

NOSLER 270 WINCHESTER PREMIUM BRASS Nosler® Premium Brass is designed for those who want to take finding the perfect load into their own hands. Fully prepped and ready to load, we've gone ahead and done the meticulous case prep work for you. Each piece is chamfered, deburred, checked for proper alignment, sized and trimmed to proper length. The brass is then hand-inspected to ensure exact dimensional standards and tolerances are met, allowing for maximum accuracy and consistency. Serving shooters time after time without sacrificing performance, Nosler® Premium Brass is made with quality materials for optimum case life and unmatched reloadability. Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp.

FEATURES Fully prepped, ready to load. Case mounts chamfered and deburred. Hand-inspected and weight-sorted. Flash holes are deburred and checked for proper alignment. Full length sized and trimmed to proper length.

Safety Instruction Guide for Nosler 270 Winchester Brass Case

Introduction

Thank you for choosing the Nosler 270 Winchester Brass Case. This guide provides essential safety information and instructions for proper use, ensuring a safe and effective experience for handloaders. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the product is used only by individuals who are knowledgeable about firearms and handloading practices.
- Always follow the manufacturer's recommendations and guidelines when using ammunition components.
- Store brass cases in a cool, dry place away from direct sunlight and moisture to prevent deterioration.
- Inspect all brass cases for defects before use. Do not use any damaged or deformed cases.
- Keep this product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Handle all brass cases with care to avoid injury.
- Wear appropriate safety gear, including safety glasses and gloves, when handling brass and during the handloading process.
- Be aware of potential hazards associated with reloading, such as the risk of accidental discharge or exposure to lead.
- Follow proper procedures for cleaning and maintaining reloading equipment to ensure safe operation.
- Do not exceed recommended load specifications as outlined in reputable reloading manuals.

Instructions for Installation and Usage

1. Preparation of Brass Cases

- Weighsort brass cases to ensure consistency within + or 0.5 grains.
- Deburr flash holes to eliminate sharp edges that may affect primer seating.
- Perform neck sizing and chamfer the inside and outside of the case mouth for optimal bullet seating.

2. Reloading Process

- Use only compatible powders, primers, and bullets as recommended in reloading manuals.
- Follow the specific instructions provided in the reloading manual for your chosen components.
- Always doublecheck powder charges and ensure proper measurements before loading.

3. PostReloading Handling

- Store loaded ammunition in a safe and secure location.
- Label all loaded ammunition clearly with the load specifications and date of reloading.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Do not throw brass cases in regular household waste. Instead, consider recycling options available in your area.

Contact Information for Further Support

For any questions or concerns regarding the Nosler 270 Winchester Brass Case, please reach out to the manufacturer or your point of purchase for assistance. Always ensure that you have the latest safety information and updates regarding the product.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable handloading experience with the Nosler 270 Winchester Brass Case. Thank you for your attention to safety and responsible use.
