T7 Turret Press Auto Primer Feeding System

Safety Instructions

Introduction

Thank you for choosing the T7 Turret Press Auto Primer Feeding System. This product is designed for reloading ammunition safely and efficiently. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Keep the workspace clean and free from distractions while operating the turret press.
- Always wear appropriate safety gear, including safety glasses and hearing protection.
- Store the turret press and all accessories in a secure location, out of reach of children and pets.
- Regularly inspect the product for wear and tear, and replace any damaged parts immediately.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Read and understand all instructions before use.
- Do not exceed the maximum load specifications provided by the manufacturer.
- Avoid placing hands or objects near moving parts during operation.
- Use only recommended dies and accessories to prevent malfunction.
- Ensure that the turret is securely locked before operating the press.
- Do not use the turret press if you are under the influence of drugs or alcohol.
- Keep the area wellventilated to avoid inhalation of any dust or fumes generated during operation.

Instructions for Installation and Usage

1. Installation

- Choose a stable and level surface for the turret press.
- Securely mount the turret press to the work surface using the appropriate hardware.
- Ensure that the turret head is properly aligned and locked in place before use.
- Attach the Automatic Primer Feed Assembly as per the manufacturer's instructions (sold separately).

2. Usage

- Before starting, ensure all components are clean and free from debris.
- Set up your dies according to the specific type of ammunition you are reloading.
- Follow the stepbystep reloading process as outlined in the product manual.
- Monitor the operation closely and stop immediately if any unusual sounds or movements occur.
- After use, clean the turret press to maintain its condition and longevity.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- When the turret press reaches the end of its life, dispose of it in a manner that complies with local electronic waste disposal guidelines.
- Remove any hazardous materials, such as oils or lubricants, before disposal.

Contact Information for Further Support

For any inquiries related to safety or product support, please refer to the manufacturer's contact information provided with the product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
