

# 308 WINCHESTER PREMIUM BRASS - 308 WINCHESTER BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

NOSLER 308 WINCHESTER PREMIUM BRASS Nosler® Premium Brass is designed for those who want to take finding the perfect load into their own hands. Fully prepped and ready to load, we've gone ahead and done the meticulous case prep work for you. Each piece is chamfered, deburred, checked for proper alignment, sized and trimmed to proper length. The brass is then hand-inspected to ensure exact dimensional standards and tolerances are met, allowing for maximum accuracy and consistency. Serving shooters time after time without sacrificing performance, Nosler® Premium Brass is made with quality materials for optimum case life and unmatched reloadability. Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp. **FEATURES** Fully prepped, ready to load. Case mounts chamfered and deburred Hand-inspected and weight-sorted Flash holes are deburred and checked for proper alignment Full length sized and trimmed to proper length

# Safety Instruction Guide for 308 Winchester Premium Brass

## Introduction

Thank you for choosing the Nosler 308 Winchester Premium Brass. This guide provides essential safety instructions to ensure the proper use and handling of this product. Please read this guide carefully before using the brass to ensure a safe and enjoyable experience.

## General Safety Guidelines

- Ensure all safety measures are followed to prevent accidents and injuries.
- Always handle brass with care, as improper handling may lead to damage or injury.
- Store brass in a cool, dry place away from direct sunlight and moisture.
- Keep brass out of reach of children and pets.
- Regularly check for any recalls or safety alerts regarding this product on the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Always wear appropriate safety gear, including safety glasses and gloves, when handling and reloading brass.
- Inspect each piece of brass for any signs of damage or defects before use.
- Avoid using brass that has been improperly stored or shows signs of corrosion.
- Follow all recommended load specifications and guidelines for your specific firearm.
- Do not exceed the maximum load limits specified for the 308 Winchester cartridge.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your reloading workspace is clean and organized.
- Gather all necessary tools and materials for reloading.

### 2. Loading:

- Begin by inspecting each piece of brass to ensure it meets safety standards.
- Use a scale to weigh sort the brass to within + or 0.5 grains for consistent performance.
- Deburr the flash holes and ensure proper alignment before proceeding.

### 3. Sizing and Trimming:

- Perform fulllength sizing and trim the brass to the proper length.
- Chamfer the inside and outside of the case mouth to facilitate bullet seating.

### 4. Final Inspection:

- Handinspect each piece of brass to ensure it meets dimensional standards and tolerances.
- Store loaded ammunition in a safe and secure location.

## Disposal Instructions

- Dispose of any damaged or unusable brass in accordance with local regulations.
- Never dispose of brass in regular household waste.

- Consider recycling brass through appropriate channels to minimize environmental impact.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety of this product, please reach out to your local retailer or manufacturer's representative for assistance. Always refer to the EU Safety Gate platform for the latest safety updates and recall information.

Thank you for prioritizing safety while using Nosler 308 Winchester Premium Brass. Enjoy your shooting experience responsibly!
