

30-06 SPRINGFIELD PREMIUM BRASS - 30-06 SPRINGFIELD BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

NOSLER 30-06 SPRINGFIELD PREMIUM BRASS Nosler® Premium Brass is designed for those who want to take finding the perfect load into their own hands. Fully prepped and ready to load, we've gone ahead and done the meticulous case prep work for you. Each piece is chamfered, deburred, checked for proper alignment, sized and trimmed to proper length. The brass is then hand-inspected to ensure exact dimensional standards and tolerances are met, allowing for maximum accuracy and consistency. Serving shooters time after time without sacrificing performance, Nosler® Premium Brass is made with quality materials for optimum case life and unmatched reloadability. Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp. FEATURES Fully prepped, ready to load. Case mounts chamfered and deburred Hand-inspected and weight-sorted Flash holes are deburred and checked for proper alignment Full length sized and trimmed to proper length

Safety Instruction Guide for Nosler 3006 Springfield Premium Brass

Introduction

Thank you for choosing Nosler 3006 Springfield Premium Brass. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read this document carefully before using the brass to understand potential hazards and how to avoid them.

General Safety Guidelines

- Ensure that all users are familiar with firearm safety and handling.
- Always treat every firearm as if it is loaded.
- Use only in accordance with the manufacturer's specifications.
- Keep out of reach of children and unauthorized users.
- Regularly check for recalls or safety notices regarding this product.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use Nosler 3006 Springfield Premium Brass with compatible firearms.
- Inspect each brass case before use for any signs of damage or defects.
- Do not exceed recommended load limits specified by your reloading manual.
- Wear appropriate safety gear, including eye and ear protection, when reloading or firing.
- Store brass in a cool, dry place away from direct sunlight and moisture.
- Dispose of any damaged or unusable brass according to local regulations.

Instructions for Installation and Usage

1. Preparation for Reloading:

- Ensure you have a clean and organized workspace.
- Gather all necessary tools and materials for reloading.
- Check that your reloading equipment is in good working order.

2. Reloading Process:

- Begin by inspecting each brass case for cleanliness and integrity.
- Weightsort the brass to ensure consistency in your loads.
- Deburr flash holes to prevent ignition issues.
- Size and trim the brass to the proper length as per specifications.
- Use appropriate powders and projectiles according to your reloading manual.
- Follow all steps in your reloading manual carefully to ensure safety.

3. Firing:

- Load the reloaded brass into your firearm according to the manufacturer's instructions.
- Always perform a visual inspection of the firearm before use.
- Adhere to all safety protocols while handling and firing the firearm.

Disposal Instructions

- Dispose of any damaged or unusable brass in accordance with local waste management regulations.
- Do not throw brass in regular trash if it can be recycled; check for recycling programs in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding Nosler 3006 Springfield Premium Brass, please refer to the manufacturer's website or contact their customer service.

Thank you for prioritizing safety while using Nosler products. Your careful handling and adherence to these guidelines contribute to a safer shooting experience.
