

BENCH REST® SEATER DIES - FORSTER PRODUCTS, INC. 22-250 REMINGTON BENCH REST SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Bench Rest Seater Dies were the first of their kind to utilize a close fitting chamber that holds the case, the bullet and the seating stem all in perfect alignment. This support system allows the reloader to produce exceptionally straight ammunition. Conventional seating dies with a fixed chamber and seating system may start your bullet into the case neck at an angle. They lack the support the Forster Bench Rest Seater provides.

Attributes

- Name: [FORSTER PRODUCTS, INC. 22-250 REMINGTON BENCH REST SEATER DIE](#)

Safety Instruction Guide for BENCH REST® SEATER DIES

Introduction

Thank you for choosing the BENCH REST® SEATER DIES by Forster Products, Inc. This guide provides essential safety information to ensure the safe use of your reloading dies. Please read this guide carefully before using the product to understand the safety precautions and proper usage instructions.

General Safety Guidelines

- Ensure that all nonfood products, including the BENCH REST® SEATER DIES, are used safely.
- Be aware of risks not covered by other EU laws and regulations.
- If purchasing online, ensure that the platform meets all safety requirements.
- Extra safeguards are in place for vulnerable groups, including children.
- Report any unsafe products or accidents to the appropriate authorities.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Always wear appropriate safety gear, such as safety glasses and gloves, when handling reloading dies.
- Keep the working area clean and free from obstructions to prevent accidents.
- Ensure that the BENCH REST® SEATER DIES are used only for their intended purpose—bullet seating for the 22250 Remington cartridge.
- Store the dies in a safe place, out of reach of children and pets.
- Inspect the dies for any damage before each use. Do not use if damaged.
- Follow all manufacturer instructions carefully to avoid misuse.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted to a stable surface.
- Select the appropriate die for the 22250 Remington cartridge.
- Insert the die into the reloading press according to the manufacturer's instructions.
- Tighten the die securely using the Forster Cross Bolt Die Locking Ring to prevent movement during use.

2. Usage:

- Prepare your brass cases according to standard reloading practices.
- Place the case in the die chamber, ensuring it is seated correctly.
- Insert the bullet into the case mouth, aligning it with the seating stem.
- Pull the press handle smoothly to seat the bullet into the case.
- Check that the bullet is seated to the correct depth as per your reloading specifications.
- Repeat the process for each round, ensuring each step is performed with care.

Disposal Instructions

- Dispose of any unused or damaged dies according to local regulations.
- Do not throw dies in regular household waste. Check for recycling programs in your area.
- Ensure that all components are disposed of safely to prevent injuries or environmental hazards.

Contact Information for Further Support

For any questions or concerns regarding the BENCH REST® SEATER DIES, please refer to the contact information provided with your product packaging or visit the manufacturer's website for further assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with your BENCH REST® SEATER DIES. Thank you for prioritizing safety in your reloading practices.
