

# BENCH REST® SEATER DIES - 300 WINCHESTER MAGNUM BENCH REST SEATER DIE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Forster Bench Rest Reloading Dies are of excellent quality and provide the reloader with the ability to produce concentric rounds time and time again. Each die is manufactured from the finest quality steel carefully machined to very tight tolerances. Dies are hand polished both before and after the heat-treating process to guarantee an extra fine finish. All Forster reloading dies feature their Forster Cross Bolt Die Locking Ring that tightens the two ends of the split ring instead of tightening a screw directly into the threads of the die. Forster Bench Rest Seater Dies were the first of their kind to utilize a close fitting chamber that holds the case, the bullet and the seating stem all in perfect alignment. This support system allows the reloader to produce exceptionally straight ammunition. Conventional seating dies with a fixed chamber and seating system may start your bullet into the case neck at an angle. They lack the support the Forster Bench Rest Seater provides.

## Attributes

- Name: [300 WINCHESTER MAGNUM BENCH REST SEATER DIE](#)
- Manufacturer: [FORSTER PRODUCTS, INC.](#)
- Product no.: 749005554
- Mfr. No.: 006221

# Safety Instruction Guide for Forster Bench Rest® Seater Dies

## Introduction

Thank you for choosing the Forster Bench Rest® Seater Dies for your reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the dies.

## General Safety Guidelines

- Ensure that all reloading equipment is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading materials.
- Keep the reloading area clean and organized to prevent accidents.
- Store all reloading components, including dies, away from children and unauthorized users.
- Regularly inspect your reloading equipment for signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the Forster Bench Rest® Seater Dies with compatible cartridges, specifically the 300 Winchester Magnum.
- Do not exceed the recommended load specifications for the ammunition you are reloading.
- Ensure that the die is properly secured in the reloading press before use.
- Always check the alignment of the bullet and case before beginning the seating process.
- Avoid distractions while reloading to maintain focus and accuracy.
- In case of any malfunction or unusual behavior during use, stop immediately and inspect the equipment.

## Instructions for Installation and Usage

### 1. Installation of the Die:

- Remove the die from its packaging and inspect it for any damage.
- Secure the die into your reloading press according to the manufacturer's instructions.
- Adjust the die to the desired seating depth based on your reloading specifications.

### 2. Preparing for Reloading:

- Gather all necessary components, including cases, bullets, and powder.
- Ensure that your work area is welllit and free of obstructions.

### 3. Seating the Bullet:

- Insert the prepared case into the die and ensure it is properly aligned.
- Place the bullet on top of the case neck.
- Slowly operate the reloading press to seat the bullet into the case.
- Check the seating depth and adjust if necessary.

### 4. PostReloading:

- Inspect each round for proper seating and overall quality.
- Store completed ammunition in a safe and organized manner.

## **Disposal Instructions**

- Dispose of any damaged or wornout reloading components in accordance with local regulations.
- Do not throw away reloading materials with regular household waste. Follow proper disposal methods for hazardous materials.
- Ensure that all empty containers are recycled or disposed of properly.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of Forster Bench Rest® Seater Dies, please consult the manufacturer's website or contact their customer support team for assistance.

By following these safety guidelines and instructions, you can ensure a safe and effective reloading experience. Always prioritize safety and compliance with local regulations when handling reloading equipment. Thank you for choosing Forster Products, Inc.
