

FULLBORE TARGET .30 CALIBER (0.308") BOAT TAIL RIFLE BULLETS - BERGER BULLETS FULLBORE TARGET 30 CALIBER (0.308") 155.5GR BOAT TAIL 100/BO

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

Berger 155.5 Grain FullBore Target Rifle Bullets are often used by competitive shooters who seek the highest accuracy possible. FullBore Target Rifle Bullets are often used beyond mid-range distances out beyond 600 yards. The 155.5 Grain FullBore Rifle Bullet was designed specifically for use in today's Palma rifle applications for international competitions at distances out to 1,000 yards. Berger FullBore Target Rifle Bullets are match-grade quality and utilize a tangent ogive Rifle Bullet design which makes these very easy to load, tune and shoot. Highly accurate, the Boat Tail Target uses J4 Precision Rifle Bullet jackets for construction. J4 Precision Jackets have a Total Indicated Runout (TIR) of +/- .0001 and extremely tight manufacturing tolerances. Berger Boat Tail Target Rifle Bullets are excellent for magazine feed applications, or where conformance to SAAMI overall length is necessary. FEATURES Tangent Ogive - Tangent Ogives are easy to tune and perform extremely well at short and long ranges. Consistent Core - Berger's exacting core manufacturing process is one of the reasons when you buy a box of Berger, you don't have to worry about sorting by weight. This gives you more reliable drop, consistent BC, and better accuracy. Boat Tail - Boat Tail bullets provide an aerodynamic advantage at longer ranges over their flat base counterparts, especially while transitioning from transonic to subsonic velocities. J4 Target Jacket - J4 Precision Bullet Jackets are the #1 choice of custom bullet manufacturers. They are the most consistent and concentric copper jackets in the world holding an unprecedented +/- .0003" tolerance. The most precise jacket produces a Berger bullet with the least amount of dispersion at all ranges.

Safety Instruction Guide for FULLBORE TARGET .30 CALIBER (0.308") BOAT TAIL RIFLE BULLETS

Introduction

Thank you for choosing the FULLBORE TARGET .30 CALIBER (0.308") BOAT TAIL RIFLE BULLETS by Berger Bullets. These bullets are designed for match target shooting and are manufactured with precision to ensure high performance. It is important to follow safety guidelines to ensure safe handling and usage of this product.

General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding the use and storage of ammunition.
- Always treat all ammunition as if it is live and capable of firing.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized individuals.
- Use appropriate personal protective equipment (PPE) such as safety glasses and hearing protection when handling or shooting.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Only use these bullets in firearms that are specifically chambered for .30 caliber (0.308") ammunition.
- Do not mix different types or brands of ammunition.
- Inspect your firearm for any obstructions or damage before loading.
- Follow the manufacturer's instructions for your firearm regarding loading, firing, and unloading.
- Never point a firearm at anything you do not intend to shoot.
- Do not attempt to modify the bullets or use them for purposes other than intended.
- If a bullet fails to fire, wait at least 30 seconds before attempting to remove it from the chamber.

Instructions for Installation and Usage

- Ensure that you have the correct firearm for these bullets.
- Carefully read the firearm's manual for loading instructions.
- Load the bullets into the magazine or chamber according to the manufacturer's guidelines.
- Maintain a safe shooting distance and ensure that the area is clear of people and animals before firing.
- After shooting, follow proper procedures for cleaning your firearm to ensure it remains in good working condition.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local hazardous waste regulations.
- Do not throw bullets in regular trash.
- Contact local authorities or waste disposal facilities for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries regarding the FULLBORE TARGET .30 CALIBER (0.308") BOAT TAIL RIFLE BULLETS, please refer to the manufacturer's contact points provided with your purchase. Ensure to have the product details at hand for a prompt response.

By following these guidelines, you help ensure a safe and enjoyable experience with your Berger Bullets. Always

prioritize safety and responsibility when handling ammunition.
