

# VLD HUNTING 30 CALIBER (0.308") VLD BOAT TAIL BULLETS - BERGER BULLETS 30 CALIBER (0.308") 168GR VLD BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger VLD Hunting Bullet is one of the flattest shooting hunting bullets in the industry. VLD Hunting Bullets are identical in design to VLD Target bullets except utilize a thinner J4 Precision jacket for rapid expansion during game applications. VLD Hunting Bullets are designed to penetrate 2-3" and then begin to expand and create a massive wound cavity up to 15". The hydrostatic shock causes most animals to drop immediately. VLD Hunting Bullets incorporate a secant ogive design which allows the bullet to experience less drag as it travels to the target. This reduced drag is why the VLD shoots flatter, experiences less wind-drift, and has a higher retained velocity than all others. A favorite load technique for the VLD's is touching the rifling for single-shot applications, although some rifles may prefer as much as .150" from the rifling. Berger VLD Hunting Bullets are extremely popular for long range hunting applications. Built with highly consistent J4 Precision Bullet jackets, most favored by custom bullet makers.

Berger 30 cal 168 gr Match Hunting VLD Bullets - 100

## Attributes

- Name: [BERGER BULLETS 30 CALIBER \(0.308"\) 168GR VLD BOAT TAIL 100/BOX](#)

# VLD Hunting 30 Caliber (0.308") VLD Boat Tail Bullets Safety Instruction Guide

## Introduction

Thank you for choosing the VLD Hunting 30 Caliber (0.308") VLD Boat Tail Bullets by Berger Bullets. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. It is important to read and understand these instructions to prevent accidents and ensure compliance with safety regulations.

## General Safety Guidelines

- Ensure you are of legal age to purchase and use ammunition in your jurisdiction.
- Always store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized users.
- Regularly inspect the bullets for any signs of damage or defects before use.
- Follow all local, state, and national laws regarding the use and storage of ammunition.
- Be aware of your surroundings when handling or using bullets to prevent accidents.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle bullets with care and respect, treating them as if they are loaded.
- Use appropriate protective gear, such as safety glasses and hearing protection, when using firearms.
- Ensure that the firearm used is compatible with 30 caliber (0.308") ammunition.
- Avoid using damaged or defective bullets. If you notice any irregularities, do not use them.
- Do not attempt to modify the bullets in any way, as this may compromise safety and performance.
- Follow the firearm manufacturer's instructions for loading and unloading ammunition.
- Never point a firearm at anything you do not intend to shoot, and always keep the firearm pointed in a safe direction.

## Instructions for Installation and Usage

### 1. Loading the Firearm:

- Check that the firearm is unloaded before attempting to load bullets.
- Insert the VLD Hunting bullets into the magazine or chamber of the firearm as per the manufacturer's guidelines.

### 2. Firing the Weapon:

- Ensure you are in a safe and legal location to fire the weapon.
- Follow all safety protocols for handling and firing the firearm.
- Maintain a proper shooting stance and grip on the firearm.

### 3. PostFiring Procedures:

- After firing, ensure the firearm is unloaded before inspecting or cleaning.
- Store any unused bullets in a secure location.

## Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Instead, contact local waste management authorities for proper disposal.

disposal methods.

- If you have any expired or unwanted ammunition, seek guidance from local authorities on how to safely dispose of it.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please refer to the contact details provided on the product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure safe handling and usage of the VLD Hunting 30 Caliber (0.308") VLD Boat Tail Bullets. Stay informed and prioritize safety at all times. Thank you for your attention to these important safety instructions.
