# Safety Instruction Guide for 480 RUGER BRASS

## Introduction

Thank you for choosing the 480 RUGER BRASS by Starline. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. By following these recommendations, you can minimize risks and enjoy a safe experience.

## General Safety Guidelines

- Always handle brass with care. Improper handling can lead to injury.
- Ensure that you are using the correct cartridge type for your firearm.
- Keep brass out of reach of children and vulnerable individuals.
- Regularly inspect brass for signs of damage or wear before use.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls via the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Use only in firearms that are specifically designed for the 480 Ruger cartridge.
- Do not exceed the recommended load specifications for your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Ensure that your shooting area is safe and free from obstructions.
- Do not attempt to modify or alter the brass in any way.
- Store brass in a cool, dry place away from direct sunlight to prevent degradation.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have the correct tools and equipment ready for loading.
- Verify that your workspace is clean and organized.

### 2. Loading the Brass:

- Carefully insert the brass into the reloading press.
- Follow the manufacturer's instructions for your specific reloading equipment.
- Do not overfill the brass with powder or other materials.

### 3. Firing:

- Load the completed cartridges into your firearm only when ready to shoot.
- Always check the firearm for proper function before use.
- Follow all safety protocols for handling firearms.

### 4. PostUse:

- Inspect fired brass for damage before reloading.
- Clean your firearm and workspace after use to ensure safety.

## Disposal Instructions

- Dispose of used or damaged brass in accordance with local regulations.
- Do not throw brass into regular trash; consider recycling options.

- Check with local recycling centers for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or additional information regarding the 480 RUGER BRASS, please refer to the manufacturer's contact details provided on the product packaging or the official website.

By adhering to these guidelines, you help ensure your safety and the safety of others while using the 480 RUGER BRASS. Thank you for your attention to these important safety measures.
