[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger Target bullet line is made up of the many legendary bullets that have been winning matches and setting records for decades. Berger Bullets was started because Walt Berger wanted better results while competing in target shooting matches. Making Match Grade bullets for target competition shooters is Berger's core competency. All of Berger's success as the producer of consistent bullets for Varmint, Target and Hunting stems from the efforts Berger has made to produce the best bullets available for the extreme, precision focused, target competition shooter.

Safety Instruction Guide for VLD .30 Caliber (0.308") Rifle Bullets

Introduction

Thank you for choosing the Berger 30 Caliber (0.308") 168gr VLD Boat Tail Rifle Bullets. Your safety and satisfaction are our top priorities. This guide provides essential safety instructions and precautions to ensure safe handling and usage of these bullets, in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle ammunition and bullets with care.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Use appropriate protective equipment, such as safety glasses and gloves, when handling bullets.
- Ensure that your firearm is compatible with the bullet specifications before use.
- Regularly check for updates on product recalls and safety alerts on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the bullets in any way.
- Only use bullets in firearms that are specifically designed for .30 caliber ammunition.
- Always follow the manufacturer's instructions for loading and firing.
- Ensure that the firearm is pointed in a safe direction during loading and unloading.
- Be aware of your surroundings and ensure a safe shooting environment.
- In case of a misfire, follow safety protocols and wait a minimum of 30 seconds before attempting to clear the firearm.

Instructions for Installation and Usage

- Carefully inspect the bullets before use to ensure they are free from damage.
- Load the bullets into the firearm according to the manufacturer's guidelines.
- Always check the chamber to ensure it is clear before loading.
- Use appropriate tools and equipment to load the bullets safely.
- Follow the recommended firing procedures for your specific firearm model.
- After use, clean your firearm according to the manufacturer's instructions to ensure optimal performance.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local waste management for guidance on hazardous waste disposal.
- Ensure that all bullets are stored securely until disposal to prevent accidents.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Berger 30 Caliber (0.308") 168gr VLD Boat Tail Rifle Bullets, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for prioritizing safety while handling and using Berger Bullets. Your responsible actions contribute to a safer shooting experience for everyone.
