

# AR-15 1RD BOB SLED 223/5.56 - BOB HAHIN AR-15 BOB SLED 223/5.56 1RD ALUMINUM BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

If you shoot High Power rifle across the course with an AR rifle, the Bob Sled single shot magazine is just the ticket for the two slow fire positions (standing and prone). When using rounds with the longer bullets seated out to an overall length greater than magazine length, some type of single shot follower is necessary. Available in a short length for match rifle shooters and a long length for CMP/NRA Service rifle shooters (approved by the NRA and CMP). The Bob Sled replaces a normal magazine and has a built-in single shot follower designed to accommodate rounds longer than standard magazine length. The Bob Sled locks the bolt into the open position after firing allowing you to load the next round.

## Attributes

- Name: [BOB HAHIN AR-15 BOB SLED 223/5.56 1RD ALUMINUM BLACK](#)
- Manufacturer: [BOB HAHIN](#)

# Safety Instruction Guide for AR15 1RD BOB SLED 223/5.56

## Introduction

Thank you for choosing the AR15 1RD BOB SLED 223/5.56. This product is designed for high power rifle shooting and is intended to enhance your shooting experience. This safety instruction guide provides essential information on the safe use, installation, and disposal of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding firearm use and accessories.
- Always handle firearms and ammunition with care and respect.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the Bob Sled for any signs of wear or damage before use.
- Do not use the Bob Sled if it is damaged or malfunctioning.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

## Specific Safety Precautions for Use

- Use only compatible ammunition (223 Remington, 5.56 mm NATO) with the Bob Sled.
- Do not exceed the 1round capacity of the Bob Sled.
- Ensure the bolt is locked in the open position after firing to facilitate loading the next round.
- Avoid using the Bob Sled with rounds that exceed standard magazine length unless specifically designed for such use.
- Always keep the firearm pointed in a safe direction when loading or unloading.
- Do not attempt to modify or alter the Bob Sled in any way.

## Instructions for Installation and Usage

### 1. Installation of the Bob Sled:

- Remove any existing magazine from the AR15.
- Insert the Bob Sled into the magazine well of the AR15 until it locks into place.

### 2. Loading the Bob Sled:

- Ensure the firearm is pointed in a safe direction.
- Place one round of compatible ammunition into the Bob Sled.
- Confirm that the round is seated properly.

### 3. Firing with the Bob Sled:

- With the Bob Sled installed and loaded, pull the charging handle to chamber the round.
- Aim at the target and pull the trigger to fire.
- After firing, the Bob Sled will lock the bolt open, allowing for easy loading of the next round.

### 4. Unloading the Bob Sled:

- Ensure the firearm is pointed in a safe direction.
- Remove the Bob Sled from the magazine well to unload any remaining ammunition.

- Visually and physically inspect the chamber to ensure it is clear.

## **Disposal Instructions**

- Dispose of the Bob Sled in accordance with local regulations for metal recycling or hazardous waste.
- Ensure that all ammunition is removed and properly disposed of before discarding the product.
- Do not throw the Bob Sled in regular household waste.

## **Contact Information for Further Support**

For any questions or concerns regarding the AR15 1RD BOB SLED 223/5.56, please contact the manufacturer or your local retailer for assistance.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable shooting experience with the AR15 1RD BOB SLED 223/5.56. Always prioritize safety and be aware of your responsibilities as a firearm user. Thank you for your attention to these guidelines.
