

# AR-15 1RD BOB SLED 223/5.56 - BOB HAHIN AR-15 BOB SLED 223/5.56 1 RD ALUMINUM 1 RD BLACK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

If you shoot High Power rifle across the course with an AR rifle, the Bob Sled single shot magazine is just the ticket for the two slow fire positions (standing and prone). When using rounds with the longer bullets seated out to an overall length greater than magazine length, some type of single shot follower is necessary. Available in a short length for match rifle shooters and a long length for CMP/NRA Service rifle shooters (approved by the NRA and CMP). The Bob Sled replaces a normal magazine and has a built-in single shot follower designed to accommodate rounds longer than standard magazine length. The Bob Sled locks the bolt into the open position after firing allowing you to load the next round.

## Attributes

- Name: [BOB HAHIN AR-15 BOB SLED 223/5.56 1 RD ALUMINUM 1 RD BLACK](#)

# AR15 1RD Bob Sled 223/5.56 Safety Instruction Guide

## Introduction

Thank you for choosing the AR15 1RD Bob Sled 223/5.56. This product is designed to enhance your shooting experience by allowing the use of longer cartridges safely and effectively. This guide provides important safety instructions to ensure your safe use of the product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms and ammunition with care and respect.
- Ensure that you are familiar with the operation of your AR15 rifle and the Bob Sled before use.
- Store the Bob Sled and your AR15 in a secure location, inaccessible to children or unauthorized users.
- Regularly inspect the Bob Sled for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

## Specific Safety Precautions for Use

- Only use the Bob Sled with compatible cartridges: 223 Remington and 5.56 mm NATO.
- Ensure that the Bob Sled is properly inserted into the magazine well of your AR15 before use.
- Do not attempt to load more than one round into the Bob Sled.
- Always keep the firearm pointed in a safe direction when loading and unloading.
- Use appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### Installation

1. Ensure your AR15 is unloaded and the safety is engaged.
2. Remove any standard magazine from the magazine well.
3. Insert the Bob Sled into the magazine well until it clicks into place securely.

### Usage

1. Load a single round into the Bob Sled, ensuring it is seated correctly.
2. Close the bolt to chamber the round.
3. After firing, the Bob Sled will lock the bolt in the open position.
4. Remove the Bob Sled from the magazine well to load the next round.

## Disposal Instructions

- Dispose of the Bob Sled in accordance with local regulations for aluminum products.
- Do not dispose of the Bob Sled in regular household waste.
- Consider recycling the product where facilities are available.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the AR15 1RD Bob Sled 223/5.56, please refer to the product packaging or your point of purchase for relevant contact details.

## Conclusion

Your safety is paramount. By following these guidelines and instructions, you can enjoy using the AR15 1RD Bob Sled 223/5.56 while ensuring compliance with safety standards. Always prioritize safety and responsible usage.
