

# VLD HUNTING 7MM (0.284") VLD BOAT TAIL BULLETS - VLD TARGET 7MM (0.284") 168GR BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger VLD Hunting Bullet is one of the flattest shooting hunting bullets in the industry. VLD Hunting Bullets are identical in design to VLD Target bullets except utilize a thinner J4 Precision jacket for rapid expansion during game applications. VLD Hunting Bullets are designed to penetrate 2-3" and then begin to expand and create a massive wound cavity up to 15". The hydrostatic shock causes most animals to drop immediately. VLD Hunting Bullets incorporate a secant ogive design which allows the bullet to experience less drag as it travels to the target. This reduced drag is why the VLD shoots flatter, experiences less wind-drift, and has a higher retained velocity than all others. A favorite load technique for the VLD's is touching the rifling for single-shot applications, although some rifles may prefer as much as .150" from the rifling. Berger VLD Hunting Bullets are extremely popular for long range hunting applications. Built with highly consistent J4 Precision Bullet jackets, most favored by custom bullet makers.

## Attributes

- Name: [VLD TARGET 7MM \(0.284"\) 168GR BOAT TAIL 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749005595
- Mfr. No.: 28401
- Ballistic Coefficient (G1): 0.628
- Ballistic Coefficient (G7): 0.322
- Brand Style: VLD Target
- Bullet Style: VLD Boat Tail
- Bullet Weight (Grains): -
- Caliber: 7mm,284 Caliber
- Diameter (Breech): 0.284
- Diameter (in): 0.284
- Grain: 168
- Quantity: 100
- Delivery weight: 1.111kg
- Shipping height: 41mm
- Shipping width: 84mm
- Shipping length: 84mm
- UPC: 679459284011

# Safety Instructions for VLD Hunting 7MM (0.284") VLD Boat Tail Bullets

## Introduction

Thank you for choosing the VLD Hunting 7MM (0.284") VLD Boat Tail Bullets. These bullets are designed for precision and performance in hunting applications. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow the guidelines outlined in this document.

## General Safety Guidelines

- **Product Safety:** Always ensure safe handling and usage of bullets. Follow the manufacturer's instructions and guidelines.
- **Enhanced Recalls:** Stay informed about any recalls related to your product. Check the EU Safety Gate platform for updates on safety recalls.
- **Online Shopping:** If purchased online, ensure that the platform complies with EU safety requirements.
- **Special Consumer Focus:** Keep bullets out of reach of children and vulnerable individuals. These products are intended for adult use only.
- **EU Contact Point:** For safety inquiries, refer to the manufacturer's contact information provided with your product.
- **Rapid Alerts:** Monitor the EU Safety Gate system for rapid updates regarding unsafe products.

## Specific Safety Precautions for Use

- **Handling:**
  - Always handle bullets with care. Treat them as if they are live ammunition.
  - Avoid direct contact with the bullet tip to prevent injury.
- **Storage:**
  - Store bullets in a cool, dry place away from direct sunlight.
  - Keep bullets in their original packaging until ready for use.
  - Ensure that storage areas are secure and out of reach of children.
- **Usage:**
  - Only use bullets in firearms that are compatible with 7MM (0.284") caliber.
  - Follow all local laws and regulations regarding the use of ammunition.
  - Wear appropriate safety gear, including eye and ear protection, when using firearms.
- **Transportation:**
  - When transporting bullets, ensure they are secured in a proper case.
  - Avoid exposing bullets to extreme temperatures or moisture during transportation.

## Instructions for Installation and Usage

- **Installation:**
  - Ensure your firearm is unloaded before installing bullets.
  - Follow the manufacturer's instructions for loading bullets into your firearm.

- **Usage:**

- For optimal performance, consider touching the rifling for singleshot applications.
- Some rifles may prefer a distance of up to .150" from the rifling. Test your specific firearm for best results.
- Always ensure that the firearm is pointed in a safe direction when loading and unloading.

- **Shooting:**

- Aim at a safe target and ensure that the area is clear of people and animals.
- Do not shoot at hard surfaces or water, as bullets may ricochet.
- If a bullet does not fire, wait at least 30 seconds before attempting to remove it from the chamber.

## **Disposal Instructions**

- **Disposal of Bullets:**

- Do not dispose of bullets in regular household waste.
- Contact local authorities or waste disposal facilities for guidance on the safe disposal of ammunition.
- Follow all local regulations regarding the disposal of hazardous materials.

## **Contact Information for Further Support**

For further assistance or safety inquiries, please refer to the manufacturer's contact information included with your product packaging.

By following these safety instructions, you can help ensure a safe and enjoyable experience with VLD Hunting 7MM (0.284") VLD Boat Tail Bullets. Thank you for your attention to safety.
