

# **VLD HUNTING 7MM (0.284") VLD BOAT TAIL BULLETS - VLD HUNTING 7MM (0.284") 140GR BOAT TAIL 100/BOX**

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger VLD Hunting Bullet is one of the flattest shooting hunting bullets in the industry. VLD Hunting Bullets are identical in design to VLD Target bullets except utilize a thinner J4 Precision jacket for rapid expansion during game applications. VLD Hunting Bullets are designed to penetrate 2-3" and then begin to expand and create a massive wound cavity up to 15". The hydrostatic shock causes most animals to drop immediately. VLD Hunting Bullets incorporate a secant ogive design which allows the bullet to experience less drag as it travels to the target. This reduced drag is why the VLD shoots flatter, experiences less wind-drift, and has a higher retained velocity than all others. A favorite load technique for the VLD's is touching the rifling for single-shot applications, although some rifles may prefer as much as .150" from the rifling. Berger VLD Hunting Bullets are extremely popular for long range hunting applications. Built with highly consistent J4 Precision Bullet jackets, most favored by custom bullet makers.

## **Attributes**

- Name: [VLD HUNTING 7MM \(0.284"\) 140GR BOAT TAIL 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749005596
- Mfr. No.: 28503
- Ballistic Coefficient (G1): 0.500
- Ballistic Coefficient (G7): 0.256
- Brand Style: VLD Hunting
- Bullet Style: VLD Boat Tail
- Caliber: 7mm,284 Caliber
- Diameter (Breech): 0.284
- Diameter (in): 0.284
- Grain: 140
- Quantity: 100
- Delivery weight: 0.794kg
- Shipping height: 41mm
- Shipping width: 86mm
- Shipping length: 86mm
- UPC: 679459285032

# Safety Instruction Guide for VLD Hunting 7MM (0.284") VLD Boat Tail Bullets

## Introduction

Thank you for choosing the VLD Hunting 7MM (0.284") VLD Boat Tail Bullets. This guide provides important safety information to ensure the safe use of this product. Please read this guide carefully before using the bullets.

## General Safety Guidelines

- Ensure that you are familiar with the safe handling and use of ammunition.
- Always store ammunition in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized users.
- Use only in firearms that are designed for the specific caliber of these bullets.
- Always wear appropriate eye and ear protection while shooting.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper handling may lead to accidental discharge.
- Using the bullets in an incompatible firearm can result in malfunctions or injuries.

### • Instructions to Avoid Hazards:

- Always check that your firearm is in good working condition before use.
- Ensure the bullet is seated properly in the cartridge case before loading.
- Do not exceed the recommended load specifications for your firearm.
- Be aware of your surroundings and ensure the shooting area is safe and clear of people and obstacles.

### • Age and Audience Specific Warnings:

- These bullets are intended for use by individuals who are experienced in firearms handling.
- Not suitable for use by children or inexperienced shooters without adult supervision.

## Instructions for Installation and Usage

### • Installation:

- Ensure your reloading equipment is clean and free of debris.
- Carefully measure the powder charge according to your reloading manual.
- Seat the VLD bullets to the recommended overall length for your specific firearm.
- Store completed cartridges in a safe and secure manner.

### • Usage:

- Load the ammunition into your firearm according to the manufacturer's instructions.
- Always point the firearm in a safe direction when loading and unloading.
- Fire the ammunition only at authorized shooting ranges or private property where you have

- permission.
- After shooting, inspect your firearm and ammunition for any signs of damage or malfunction.

## Disposal Instructions

- Dispose of any unused or damaged ammunition in accordance with local regulations.
- Do not throw ammunition in regular trash; instead, contact local waste management authorities for proper disposal methods.
- Store any unwanted bullets safely until you can dispose of them properly.

## Contact Information for Further Support

For any safety inquiries or further assistance regarding the VLD Hunting 7MM (0.284") VLD Boat Tail Bullets, please reach out to the designated EU contact point for product safety concerns.

By following these guidelines, you can help ensure a safe and enjoyable experience with the VLD Hunting 7MM (0.284") VLD Boat Tail Bullets. Always prioritize safety and responsibility when handling firearms and ammunition.
