

7MM STW BRASS CASE - 7MM STW BRASS 25/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Nosler takes a few extra steps with their brass to make it a premium component for the handloader. The brass is first weigh-sorted to within + or - 0.5 grains, then the flash holes are deburred. Nosler completes the case prep with neck sizing and chamfering the inside and outside of the case mouth. All Nosler unprimed brass bears the Nosler headstamp.

Attributes

- Name: [7MM STW BRASS 25/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749005598
- Mfr. No.: 11472

Safety Instruction Guide for 7MM STW Brass Case

Introduction

Thank you for choosing the 7MM STW Brass Case by Nosler. This guide provides essential safety information to help you use this product safely and effectively. Please read this document carefully before use.

General Safety Guidelines

- Ensure safe handling and storage of the brass cases to prevent accidents.
- Always follow the manufacturer's instructions for loading and using ammunition.
- Keep all ammunition and reloading components out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper handling of brass cases can lead to accidental discharge or injury.
- The brass cases are designed for use in firearms; misuse may result in malfunction or personal injury.

- **Avoiding Hazards:**

- Always wear appropriate safety gear, such as eye and ear protection, when handling or using firearms.
- Do not exceed recommended loads as specified in reloading manuals.
- Inspect brass cases for any signs of damage or wear before use.
- Do not use brass cases that have been previously fired in a firearm that is not compatible.

- **Age Specific Warnings:**

- This product is intended for use by individuals who are 18 years of age or older. Keep out of reach of children.

Instructions for Installation and Usage

- **Installation:**

- Ensure that your reloading equipment is clean and in good working condition.
- Verify that you have the correct caliber and type of brass case before beginning the reloading process.

- **Usage:**

- Weighsort the brass cases to ensure consistency in your ammunition.
- Deburr flash holes as necessary to ensure proper ignition.
- Perform neck sizing and chamfering on the inside and outside of the case mouth to enhance performance.
- Follow all safety protocols when loading ammunition, including checking for obstructions in the barrel before firing.

Disposal Instructions

- Dispose of any damaged or unusable brass cases in accordance with local regulations.
- Do not dispose of brass cases in regular household waste. Check for recycling programs in your area that accept brass.
