

458 LOTT CUSTOM GRADE 3-DIE SET - SERIES II CUSTOM GRADE FULL LENGTH 3-DIE SET, 458 LOTT

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Hornady's Custom Grad Dimension dies are created from select steel that's heat-treated to ensure the durability needed for a lifetime of reloading. Hornady guarantees they'll never wear out or break under normal use. All dies include the popular double-flat Hornady die lock rings installed and a custom plastic box. Hornady dies are grouped in three series for pricing - die construction and quality is equal in each series. The Custom Grade Full Length 3-Die Set includes a Custom Grade Full Length Die, Seater Die, and Expander Assembly. Dies are complete with Zip Spindle decap assembly and double-flat lock rings, packaged in a custom plastic die box.

Safety Instruction Guide for 458 LOTT CUSTOM GRADE 3DIE SET SERIES II

Introduction

Thank you for choosing the 458 LOTT CUSTOM GRADE 3DIE SET SERIES II. This guide provides important safety instructions and usage information to ensure safe handling and operation of the product. Please read this guide carefully before using the die set.

General Safety Guidelines

- Ensure that all users are familiar with the safety precautions outlined in this guide.
- Always use the product in a wellventilated area to avoid inhalation of any dust or fumes.
- Keep the die set out of reach of children and unauthorized users.
- Regularly inspect the die set for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about any product recalls or safety alerts through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, gloves, and a mask, when using the die set.
- Do not exceed the recommended load limits when reloading ammunition.
- Follow all manufacturer instructions and guidelines for reloading procedures.
- Ensure that the workspace is clean and free of any obstructions or hazards.
- Do not use the die set for any purpose other than its intended use.
- If you experience any discomfort or unusual reactions while using the die set, stop using it immediately and seek assistance.

Instructions for Installation and Usage

1. Setup:

- Ensure that your reloading press is securely mounted and stable.
- Remove the die set from its packaging and inspect for any damage.
- Install the Custom Grade Full Length Die into the reloading press according to the manufacturer's instructions.

2. Usage:

- Adjust the die to the desired settings for your specific reloading needs.
- Insert the cartridge case into the shell holder and ensure it is seated correctly.
- Follow the steps for resizing, seating, and expanding as per the provided instructions.
- Always check the cartridge after reloading to ensure it meets safety standards.

3. Maintenance:

- Clean the dies regularly to remove any residue or debris.
- Store the die set in the custom plastic box when not in use to protect it from damage.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die set in regular household waste.
- Check with local authorities for proper disposal methods for metal and plastic components.

Contact Information for Further Support

For any questions or concerns regarding the 458 LOTT CUSTOM GRADE 3DIE SET SERIES II, please refer to the manufacturer's website or contact their customer service for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with your die set. Always prioritize safety and stay informed about best practices in reloading.
