

# COMPETITION SHELLHOLDER SETS - REDDING #4 COMPETITION SHELLHOLDER SET

[Reloading](#) > [Shellholders & Shellplates](#)

Redding's five piece shellholder set is designed so you can adjust your headspace by selecting the appropriate thickness Redding shellholder. The five shellholders are +.002", +.004", +.006", +.008", and +.010" thicker than normal shellholders (.125" from the bottom of the case head cut to the top of the shellholder). Each shellholder is clearly marked and has a black oxide finish to distinguish them from normal shellholders. Comes packaged in a 6 position storage box leaving an empty space for your regular shellholder. View Redding Shellholder Chart.

# Safety Instruction Guide for Redding Competition Shellholder Sets

## Introduction

Thank you for choosing the Redding Competition Shellholder Set. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your shellholder set. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always use the shellholder sets in accordance with the manufacturer's instructions.
- Ensure that the shellholders are compatible with your specific cartridge type.
- Keep the shellholder set out of reach of children and vulnerable individuals.
- Regularly inspect the shellholders for any signs of damage or wear before use.
- Store the shellholder set in a safe and dry place to prevent corrosion or damage.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not attempt to modify the shellholders in any way.
- Use appropriate personal protective equipment (PPE), such as safety glasses, when handling ammunition.
- Avoid using damaged or worn shellholders as they may lead to unsafe conditions.
- Ensure that the shellholder is securely attached to the reloading press before use.
- Always follow safe reloading practices as outlined in your reloading manual.

## Instructions for Installation and Usage

### 1. Installation:

- Select the appropriate shellholder for your cartridge based on the thickness needed for your headspace adjustment.
- Ensure that the chosen shellholder is properly seated in the reloading press.
- Doublecheck that the shellholder is secure before proceeding.

### 2. Usage:

- Load the shellholder with the appropriate case and ensure it fits snugly.
- Follow the reloading process as per your reloading manual, ensuring to monitor the operation closely.
- After use, clean the shellholder to remove any debris or residue.

## Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Avoid throwing shellholders in regular waste; check for recycling options specific to metal products.
- Ensure that all components are disposed of safely to prevent environmental harm.

## Contact Information for Further Support

For any questions or safety inquiries regarding the Redding Competition Shellholder Set, please consult the product packaging or visit the manufacturer's website. It is important to have access to support for any

concerns that may arise during the use of this product.

By following these guidelines, you can help ensure a safe and effective experience with your Redding Competition Shellholder Set. Thank you for your attention to these important safety measures.
