

COMPETITION SHELLHOLDER SETS - REDDING #6 COMPETITION SHELLHOLDER SET

[Reloading](#) > [Shellholders & Shellplates](#)

Redding's five piece shellholder set is designed so you can adjust your headspace by selecting the appropriate thickness Redding shellholder. The five shellholders are $+.002"$, $+.004"$, $+.006"$, $+.008"$, and $+.010"$ thicker than normal shellholders ($.125"$ from the bottom of the case head cut to the top of the shellholder). Each shellholder is clearly marked and has a black oxide finish to distinguish them from normal shellholders. Comes packaged in a 6 position storage box leaving an empty space for your regular shellholder. View Redding Shellholder Chart.

Safety Instruction Guide for Redding Competition Shellholder Sets

Introduction

Thank you for choosing the Redding Competition Shellholder Set. This guide provides essential safety information and instructions to ensure the safe and effective use of your shellholder set. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product specifications.
- Keep the shellholder set out of reach of children and vulnerable individuals.
- Inspect the shellholders for any signs of damage or wear before each use. Do not use damaged shellholders.
- Always follow the manufacturer's guidelines when using the shellholder set with your reloading equipment.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Use only the recommended cartridges with the Redding Competition Shellholder Set:
 - 223 WSSM (Winchester Super Short Mag)
 - 243 WSSM (Winchester Super Short Mag)
 - 257 Weatherby Magnum
 - 6.5 mm Remington Magnum
 - 270 Weatherby Magnum
 - 25 WSSM (Winchester Super Short Mag)
 - 6.5 STW
- Ensure that your reloading equipment is compatible with the shellholder set.
- Avoid excessive force when inserting or removing shellholders to prevent damage.
- Do not modify or alter the shellholders in any way.
- Always wear appropriate safety gear, such as eye protection, when reloading ammunition.

Instructions for Installation and Usage

1. Selecting the Appropriate Shellholder:

- Choose the shellholder that corresponds to the desired headspace adjustment:
 - +.002"
 - +.004"
 - +.006"
 - +.008"
 - +.010"
- Each shellholder is clearly marked for easy identification.

2. Installing the Shellholder:

- Ensure your reloading press is turned off and not in use.
- Insert the selected shellholder into the reloading press according to the manufacturer's instructions.
- Ensure the shellholder is securely in place before proceeding.

3. Using the Shellholder:

- Place the case into the shellholder, ensuring it fits properly.
- Follow your reloading equipment's guidelines for completing the reloading process.
- After use, remove the case from the shellholder and store it appropriately.

4. Storage:

- Store the shellholder set in the provided 6position storage box.
- Leave an empty space for your regular shellholder to prevent confusion.

Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not throw shellholders in regular household waste. Check for recycling programs that accept metal components.

Contact Information for Further Support

For any questions or concerns regarding the Redding Competition Shellholder Set, please refer to the manufacturer's website or customer service resources. Ensure you have the product details available for reference.

This safety instruction guide has been prepared to comply with the EU General Product Safety Regulation (GPSR). Your safety is our priority, and we appreciate your attention to these guidelines.
