

# WILSON 50 BMG PRIMER POCKET REAMER - .50 BMG PRIMER POCKET REAMER

[Reloading](#) > [Case Preparation](#) > [Primer Pocket Tools](#) > [Reamers & Swagers](#)

With the high cost of 50 BMG brass, many shooters are buying military brass for their Big 50's. This tool will remove the primer pocket crimps from military BMG brass without deforming the case head with swaging too. Leaves a nice chamfer on the primer pocket edge for easy primer entry. The tool is used in place of the trimmer cutter on our Wilson/Sinclair 50 BMG Case Trimmer.

# WILSON 50 BMG PRIMER POCKET REAMER Safety Instructions

## Introduction

Thank you for choosing the WILSON 50 BMG PRIMER POCKET REAMER. This tool is designed to safely and effectively remove primer pocket crimps from military BMG brass, ensuring optimal performance for your reloading needs. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the reamer.
- Keep the reamer out of reach of children and unauthorized users.
- Inspect the tool before each use for any signs of damage or wear. Do not use if damaged.
- Ensure that your workspace is clean, welllit, and free from hazards.
- Follow all local regulations regarding the handling and disposal of reloading materials.

## Specific Safety Precautions for Use

- Use the reamer only for its intended purpose: removing primer pocket crimps from military BMG brass.
- Do not attempt to modify or alter the tool in any way.
- Always secure the brass case properly in the trimmer before using the reamer.
- Avoid wearing loose clothing or jewelry that could become entangled in the tool.
- Do not use the reamer if you are fatigued or under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### 1. Installation:

- Remove the trimmer cutter from your Wilson/Sinclair 50 BMG Case Trimmer.
- Insert the WILSON 50 BMG PRIMER POCKET REAMER into the trimmer in place of the cutter.
- Ensure that the reamer is securely fastened and properly aligned.

### 2. Usage:

- Secure the military brass case in the trimmer.
- Turn the handle of the trimmer to engage the reamer with the primer pocket.
- Apply gentle, even pressure while turning to ensure a smooth and effective reaming process.
- After reaming, check the primer pocket for proper chamfering and ensure it is free from any debris.
- Clean the reamer after use to maintain its performance and longevity.

## Disposal Instructions

- Dispose of any brass shavings and used materials in accordance with local regulations.
- Do not dispose of the tool in regular household waste. Check local guidelines for proper disposal methods for tools and equipment.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage of the WILSON 50 BMG PRIMER POCKET REAMER, please refer to the contact information provided with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your WILSON 50 BMG PRIMER POCKET REAMER. Thank you for your attention to safety!
