

# COMPETITION SHELLHOLDER SETS - REDDING #10 COMPETITION SHELLHOLDER SET

[Reloading](#) > [Shellholders & Shellplates](#)

Redding's five piece shellholder set is designed so you can adjust your headspace by selecting the appropriate thickness Redding shellholder. The five shellholders are +.002", +.004", +.006", +.008", and +.010" thicker than normal shellholders (.125" from the bottom of the case head cut to the top of the shellholder). Each shellholder is clearly marked and has a black oxide finish to distinguish them from normal shellholders. Comes packaged in a 6 position storage box leaving an empty space for your regular shellholder. View Redding Shellholder Chart.

# Safety Instruction Guide for Redding Competition Shellholder Set

## Introduction

Thank you for choosing the Redding Competition Shellholder Set. This guide provides important safety information and instructions to ensure the safe use of this product. Please read this guide carefully before using the shellholder set.

## General Safety Guidelines

- Always handle the shellholder set with care to avoid accidents.
- Ensure that the shellholder set is used only with compatible cartridges: 223 Remington, 204 Ruger, 221 Remington Fireball, 222 Remington, 17 Remington, 222 Remington Mag, 7 mm TCU, 17 Mach IV, 20 Tactical, 223 Rem Imp 40, 6mm TCU, and 32 Short Colt.
- Keep the shellholder set out of reach of children and unauthorized users.
- Inspect the shellholder set for any signs of damage before use. Do not use if damaged.
- Use the shellholder set only for its intended purpose in accordance with the manufacturer's instructions.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the shellholder set.
- Ensure that the work area is clean and free of obstructions to prevent tripping or falling.
- Avoid using the shellholder set in wet or damp conditions.
- Do not modify or alter the shellholder set in any way, as this may compromise safety.
- Follow all local laws and regulations regarding the use of ammunition and reloading equipment.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted on a stable surface.
- Select the appropriate shellholder from the set that corresponds to your cartridge type.
- Insert the shellholder into the reloading press according to the manufacturer's instructions, ensuring it is properly seated.

### 2. Usage:

- Place the cartridge case into the shellholder.
- Follow the reloading press's operating instructions to resize or seat bullets as needed.
- After use, remove the cartridge case from the shellholder and store it safely.

## Disposal Instructions

- Dispose of any damaged or worn shellholders in accordance with local regulations.
- Do not dispose of the shellholder set in regular household waste. Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Competition Shellholder Set, please refer to the contact information provided by the manufacturer. Ensure you have the product details ready for a quicker response.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Redding Competition Shellholder Set. Always prioritize safety and compliance with local regulations when using this product. Thank you for your attention to these important guidelines.
