

VLD HUNTING 7MM (0.284") VLD BOAT TAIL BULLETS - VLD HUNTING 7MM (0.284") 180GR BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger VLD Hunting Bullet is one of the flattest shooting hunting bullets in the industry. VLD Hunting Bullets are identical in design to VLD Target bullets except utilize a thinner J4 Precision jacket for rapid expansion during game applications. VLD Hunting Bullets are designed to penetrate 2-3" and then begin to expand and create a massive wound cavity up to 15". The hydrostatic shock causes most animals to drop immediately. VLD Hunting Bullets incorporate a secant ogive design which allows the bullet to experience less drag as it travels to the target. This reduced drag is why the VLD shoots flatter, experiences less wind-drift, and has a higher retained velocity than all others. A favorite load technique for the VLD's is touching the rifling for single-shot applications, although some rifles may prefer as much as .150" from the rifling. Berger VLD Hunting Bullets are extremely popular for long range hunting applications. Built with highly consistent J4 Precision Bullet jackets, most favored by custom bullet makers.

Attributes

- Name: [VLD HUNTING 7MM \(0.284"\) 180GR BOAT TAIL 100/BOX](#)
- Manufacturer: [BERGER BULLETS](#)
- Product no.: 749005638
- Mfr. No.: 28502
- Ballistic Coefficient (G1): 0.673
- Ballistic Coefficient (G7): 0.345
- Brand Style: VLD Hunting
- Bullet Style: VLD Boat Tail
- Caliber: 7mm,284 Caliber
- Diameter (Breech): 0.284
- Diameter (in): 0.284
- Grain: 180
- Quantity: 100
- Delivery weight: 1.225kg
- Shipping height: 38mm
- Shipping width: 83mm
- Shipping length: 83mm
- UPC: 679459285025

Safety Instruction Guide for VLD Hunting 7MM (0.284") VLD Boat Tail Bullets

Introduction

Thank you for choosing the VLD Hunting 7MM (0.284") VLD Boat Tail Bullets. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this guide carefully and keep it for future reference.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding the use of ammunition in your area.
- Always handle ammunition with care and store it in a safe, dry place away from children and unauthorized users.
- Use appropriate personal protective equipment (PPE), such as safety glasses and hearing protection, when handling or firing firearms.
- Inspect your firearms and ammunition before use to ensure they are in good condition and compatible with each other.
- Report any unsafe products or accidents to the relevant authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Only use VLD Hunting Bullets in firearms that are specifically chambered for 7MM (0.284") ammunition.
- Ensure that your firearm is properly cleaned and maintained to prevent malfunctions.
- Avoid using ammunition that shows signs of damage or corrosion.
- When loading, unloading, or handling ammunition, always keep the firearm pointed in a safe direction.
- Do not exceed the recommended load specifications provided by the firearm manufacturer.
- Be aware of your surroundings when firing, including the location of other people and property.
- If you experience a misfire, wait at least 30 seconds before attempting to clear the firearm.

Instructions for Installation and Usage

1. Loading the Ammunition:

- Ensure that your firearm is pointed in a safe direction.
- Open the action of the firearm and inspect the chamber to ensure it is clear.
- Insert the VLD Hunting Bullet into the chamber or magazine according to your firearm's specifications.
- Close the action securely before firing.

2. Firing the Ammunition:

- Position yourself comfortably and ensure a stable shooting stance.
- Align your sights with the target.
- Squeeze the trigger gently to fire the bullet.
- After firing, keep the firearm pointed at the target until you are sure it is safe to lower it.

3. Unloading the Ammunition:

- Point the firearm in a safe direction.
- Open the action and remove any remaining rounds from the chamber and magazine.
- Inspect the chamber to ensure it is clear before storing the firearm.

Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local regulations.
- Do not dispose of ammunition in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the VLD Hunting Bullets, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safer experience while using VLD Hunting Bullets. Always prioritize safety and responsible firearm practices. Thank you for your attention to these important guidelines.
