## NOSLER® PARTITION 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS

The benchmark for hunting bullets since 1948, Nosler's Partition® bullet is the cornerstone upon which the entire company was founded. The Nosler® Partition® front lead core is designed to expand and transfer massive shock and energy while the partition houses the rear lead core to maximize weight retention. The Nosler® Partition® delivers bone crushing energy, a massive wound channel, and deep penetration. FEATURES: Nosler Engineering Nosler's special lead-alloy, dual core provides superior mushrooming characteristics at virtually all impact velocities. Fully Tapered Copper-Alloy Jacket Ruptures instantly at the thin jacket mouth, yet the gradual thickening along the bullet's axis controls expansion and curls the jacket uniformly outward at high and low velocities. Nosler's Integral Partition Supports the expanded mushroom and retains the rear lead-alloy core. The enclosed rear core retains more than two-thirds of the original bullet weight for deep penetration. Dual Core Construction Every Partition® bullet in the Nosler® line delivers optimum length, weight and ogive design for maximum in-flight and terminal performance. Special Crimp Locks Adds strength to resist deformation under the pressure of heavy magnums.

## Attributes

- Name: [338 CALIBER \(0.338"\) 225GR SPITZER 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749005643
- Mfr. No.: 16336
- Ballistic Coefficient (G1): 0.454
- Brand Style: Partition
- Bullet Style: Spitzer
- Caliber: 338 Caliber
- Diameter (Breech): -
- Diameter (in): 0.338
- Grain: 225
- Sectional Density: 0.281
- Quantity: 50
- Delivery weight: 0.753kg
- Shipping height: 44mm
- Shipping width: 64mm
- Shipping length: 89mm
- UPC: 054041163361

# Safety Instructions for Nosler® Partition® 30 Caliber (0.308") Flat Base Spitzer Rifle Bullets

## Introduction

Thank you for choosing Nosler® Partition® 30 Caliber (0.308") Flat Base Spitzer Rifle Bullets. This guide provides essential safety information to ensure the safe use of this product. Please read and follow these instructions carefully.

## General Safety Guidelines

- Ensure that all users are familiar with safe handling and storage practices for ammunition.
- Store bullets in a cool, dry place, away from direct sunlight and moisture.
- Keep ammunition out of reach of children and unauthorized persons.
- Always check for recalls and safety updates relevant to this product on the EU Safety Gate platform.
- Report any unsafe products or accidents to local authorities immediately.

## Specific Safety Precautions for Use

- Use only in firearms that are specifically chambered for .308 caliber ammunition.
- Always wear appropriate eye and ear protection when handling or firing ammunition.
- Ensure that the firearm is in good working condition before use.
- Do not use damaged or corroded ammunition.
- Follow all local laws and regulations regarding the use of firearms and ammunition.
- Avoid using ammunition in extreme weather conditions, such as excessive heat or humidity.

## Instructions for Installation and Usage

### 1. Preparation:

- Verify that the firearm is unloaded and pointed in a safe direction.
- Inspect the ammunition for any visible damage or defects.

### 2. Loading:

- Carefully load the bullets into the magazine or chamber of the firearm according to the manufacturer's instructions.
- Ensure that the bullets are seated properly and securely.

### 3. Firing:

- Always aim at a safe target and ensure that the surrounding area is clear of people and animals.
- Use the firearm only as intended and follow the manufacturer's operating instructions.

### 4. PostUse:

- After firing, unload the firearm immediately and store it safely.
- Clean the firearm and inspect it for any wear or damage.

## Disposal Instructions

- Dispose of any unused or expired ammunition in accordance with local laws and regulations.
- Do not throw bullets in regular trash. Contact local waste management authorities for proper disposal

methods.

## **Contact Information for Further Support**

For any safety inquiries or additional support, please refer to the appropriate EUbased contact point or consult the manufacturer's website for more information.

Thank you for your attention to these safety guidelines. Your safety is our priority.
