Safety Instruction Guide for 3DIE CARBIDE ROLL CRIMP SETS 3DIE CARBIDE ROLL CRIMP SET, 45 COLT

Introduction

Thank you for choosing the RCBS Carbide Pistol 3Die Set. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this manual thoroughly before using the product to minimize risks and ensure compliance with safety regulations.

General Safety Guidelines

- Ensure that you are familiar with the local laws and regulations regarding reloading ammunition.
- Always wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when handling reloading components.
- Keep the workspace clean and organized to prevent accidents.
- Store the product in a dry, secure location away from children and unauthorized users.
- Never leave reloading equipment unattended while in use.

Specific Safety Precautions for Use

- **Hazard Identification**: The reloading process involves handling potentially hazardous materials. Ensure proper ventilation when using the dies.
- **Avoid Overloading**: Do not exceed the recommended load limits for your cartridges. Overloading can lead to dangerous malfunctions.
- **Check for Damage**: Before use, inspect the dies for any signs of wear or damage. Do not use damaged equipment.
- **Proper Handling**: Always handle components with care to avoid injury. Use tools designed for reloading to minimize risks.
- **Keep Away from Ignition Sources**: Store and use all reloading components away from heat sources, flames, or sparks.

Instructions for Installation and Usage

1. **Installation**:

    - Ensure your reloading press is securely mounted and stable.
    - Install the carbide sizer die in the press according to the manufacturer's instructions.
    - Insert the expander die for case mouth expansion and belling.
    - Finally, install the seater die, ensuring it is properly adjusted for the desired crimp.

2. **Usage**:

    - Start with the carbide sizer die to resize the brass cases. No lubrication is required.
    - Follow with the expander die to bell the case mouths for easier bullet seating.
    - Use the seater die to seat the bullet and apply the desired crimp. Adjust the die as necessary for your specific cartridge.

3. **Cleaning and Maintenance**:

    - After use, clean the dies with a soft cloth to remove any residue.
    - Store the dies in a protective case to prevent damage.

Disposal Instructions

- Dispose of any used or damaged reloading components in accordance with local regulations.
- Do not dispose of hazardous materials in regular trash. Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's contact information provided with the product packaging or on the manufacturer's website.

By following these safety instructions and guidelines, you can ensure a safe and effective reloading experience with the RCBS Carbide Pistol 3Die Set. Always prioritize safety and compliance with local regulations. Thank you for your attention and safe reloading!
