[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger Target bullet line is made up of the many legendary bullets that have been winning matches and setting records for decades. Berger Bullets was started because Walt Berger wanted better results while competing in target shooting matches. Making Match Grade bullets for target competition shooters is Berger's core competency. All of Berger's success as the producer of consistent bullets for Varmint, Target and Hunting stems from the efforts Berger has made to produce the best bullets available for the extreme, precision focused, target competition shooter.

# Safety Instruction Guide for VLD .30 Caliber (0.308") Rifle Bullets

## Introduction

Thank you for choosing the Berger .30 Caliber (0.308") 185gr Boat Tail VLD Bullets. This guide provides essential safety instructions to ensure the safe use of these products. Please read and follow the guidelines carefully to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle bullets with care and store them in a secure location, away from children and unauthorized users.
- Ensure that you are familiar with local laws and regulations regarding ammunition and bullets.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling bullets.
- Do not use bullets that show signs of damage, corrosion, or defects.
- Report any unsafe products or accidents to the appropriate authorities immediately.
- Regularly check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Ensure that your firearm is compatible with .30 caliber (0.308") bullets before use.
- Always follow the manufacturer's recommendations for loading and firing ammunition.
- Do not exceed the maximum load specifications as indicated by the bullet manufacturer.
- Avoid using bullets in wet or damp conditions to prevent corrosion.
- Keep the work area clean and free from obstructions when reloading or handling bullets.
- Do not consume food or drink in the area where bullets are handled to avoid contamination.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you are in a wellventilated area, preferably outdoors, when handling or using bullets.
- Gather all necessary tools and equipment, including a reloading press, scale, and loading manual.

### 2. Loading Bullets:

- Carefully remove the bullets from the packaging.
- Follow the specific loading data provided by the bullet manufacturer.
- Weigh each powder charge using a calibrated scale to ensure accuracy.
- Insert the bullet into the cartridge case, ensuring it is seated properly.

### 3. Firearm Safety:

- Before firing, ensure the firearm is in good working condition and has been properly maintained.
- Always point the firearm in a safe direction, away from people and animals.
- Keep your finger off the trigger until ready to fire.

### 4. Firing:

- Fire the bullet according to the firearm's operating instructions.
- Be aware of your surroundings and ensure that the shooting area is clear of bystanders.

## 5. **PostUse:**

- After use, clean the firearm and store it securely.
- Dispose of any unused or damaged bullets according to local regulations.

## **Disposal Instructions**

- Dispose of bullets and ammunition in accordance with local laws and regulations.
- Do not dispose of bullets in regular household waste.
- Contact local authorities or waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Berger .30 Caliber (0.308") 185gr Boat Tail VLD Bullets, please reach out to your local retailer or the manufacturer directly. Ensure that you have the product details available for reference.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Berger .30 Caliber (0.308") 185gr Boat Tail VLD Bullets. Thank you for your attention to safety!
