

# TRIM DIES - REDDING TRIM DIE 224 WEATHERBY MAG

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

Redding Trim Dies allow you to file trim your cases without unnecessary resizing. Other manufacturers use sizing die dimensions, forcing you to full length resize when trimming. For case forming and necking brass down from another caliber, Redding Trim Dies can be the perfect intermediate step before full length resizing.

# Redding Trim Die 224 Weatherby Mag Safety Instruction Guide

## Introduction

Thank you for choosing the Redding Trim Die 224 Weatherby Magnum. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. Please read and understand all instructions before using the trim die.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate safety gear, including eye protection, when using the trim die.
- Keep the work area clean and welllit to avoid accidents.
- Store the trim die in a safe place, out of reach of children and pets.
- Be aware of your surroundings and ensure that no one is in your immediate vicinity while using the product.
- Regularly inspect the trim die for any signs of wear or damage. Do not use if damaged.

## Specific Safety Precautions for Use

- Only use the Redding Trim Die 224 Weatherby Magnum with compatible cases.
- Do not exceed the recommended pressure limits while using the trim die.
- Ensure that the die is properly secured in the reloading press before use.
- Avoid wearing loose clothing or jewelry that could become entangled while operating the equipment.
- If you experience any discomfort or unusual sensations while using the product, stop immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the reloading press is turned off and unplugged (if applicable).
- Select the appropriate shell holder for the 224 Weatherby Magnum.
- Securely attach the Redding Trim Die to the reloading press according to the manufacturer's instructions.
- Adjust the die to the correct height for trimming cases.

### 2. Usage:

- Prepare your cases by cleaning and inspecting them for defects.
- Insert the case into the shell holder and ensure it is properly aligned.
- Operate the reloading press to trim the case to the desired length.
- Repeat the process for all cases as needed.
- After trimming, inspect each case to ensure proper length and quality.

## Disposal Instructions

- Dispose of any worn or damaged trim dies in accordance with local regulations.
- Avoid disposing of the product in regular household waste. Check with local waste management authorities for proper disposal methods.
- Recycle materials when possible.

## **Contact Information for Further Support**

For any questions or concerns regarding the Redding Trim Die 224 Weatherby Magnum, please refer to the manufacturer's website or customer service for assistance. Ensure you have the product information ready for reference.

Thank you for your attention to these safety instructions. Following these guidelines will help ensure a safe and effective experience with your Redding Trim Die.
