NOSLER® PARTITION 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS

The benchmark for hunting bullets since 1948, Nosler's Partition® bullet is the cornerstone upon which the entire company was founded. The Nosler® Partition® front lead core is designed to expand and transfer massive shock and energy while the partition houses the rear lead core to maximize weight retention. The Nosler® Partition® delivers bone crushing energy, a massive wound channel, and deep penetration. **FEATURES:** Nosler Engineering Nosler's special lead-alloy, dual core provides superior mushrooming characteristics at virtually all impact velocities. Fully Tapered Copper-Alloy Jacket Ruptures instantly at the thin jacket mouth, yet the gradual thickening along the bullet's axis controls expansion and curls the jacket uniformly outward at high and low velocities. Nosler's Integral Partition Supports the expanded mushroom and retains the rear lead-alloy core. The enclosed rear core retains more than two-thirds of the original bullet weight for deep penetration. Dual Core Construction Every Partition® bullet in the Nosler® line delivers optimum length, weight and ogive design for maximum in-flight and terminal performance. Special Crimp Locks Adds strength to resist deformation under the pressure of heavy magnums.

Attributes

- Name: [NOSLER 338 CALIBER \(0.338"\) 250GR PARTITION 50/BOX](#)
- Manufacturer: [NOSLER](#)
- Product no.: 749005707
- Mfr. No.: 35644
- Ballistic Coefficient (G1): -
- Brand Style: -
- Bullet Style: -
- Caliber: 338 Caliber
- Diameter (Breech): -
- Diameter (in): -
- Grain: -
- Sectional Density: -
- Delivery weight: 0.839kg
- UPC: 054041356442

Safety Instruction Guide for NOSLER® PARTITION® 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS

Introduction

Thank you for choosing NOSLER® PARTITION® 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS. This guide provides important safety information to ensure safe handling and usage of the product. Please read and follow these instructions carefully to minimize risks and ensure compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle ammunition with care and respect.
- Store ammunition in a cool, dry place away from direct sunlight.
- Keep ammunition out of reach of children and unauthorized persons.
- Do not use ammunition that appears damaged or corroded.
- Always follow the manufacturer's specifications for your firearm.
- Ensure that your firearm is in good working condition before use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Ensure that the caliber of the bullet matches your firearm specifications.
- Do not mix different types of ammunition.
- Avoid using ammunition that has been exposed to moisture or extreme temperatures.
- Always check the barrel of your firearm before loading to ensure it is clear of obstructions.
- Use only in firearms that are designed for the specific caliber.
- Do not attempt to modify or disassemble the bullets.
- Be cautious of ricochet when shooting in areas with hard surfaces.

Instructions for Installation and Usage

- Ensure that you are in a safe and designated shooting area before loading your firearm.
- Load the bullets into the magazine or chamber according to the firearm's user manual.
- When ready to shoot, hold the firearm securely and aim at your target.
- Keep your finger off the trigger until you are ready to shoot.
- After shooting, unload your firearm and check for any malfunctions.
- Dispose of any spent casings and packaging responsibly.

Disposal Instructions

- Dispose of spent casings and packaging in accordance with local regulations.
- Do not dispose of ammunition in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the use of NOSLER® PARTITION® bullets, please refer to the official NOSLER® website or contact your local distributor.

Conclusion

By following these safety instructions, you can ensure a safer shooting experience with NOSLER® PARTITION® 30 CALIBER (0.308") FLAT BASE SPITZER RIFLE BULLETS. Remember to always prioritize safety and responsibility when handling ammunition. Thank you for your attention to these important guidelines.
