

VLD HUNTING 30 CALIBER (0.308") VLD BOAT TAIL BULLETS - BERGER BULLETS 30 CALIBER (0.308") 210GR VLD BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger VLD Hunting Bullet is one of the flattest shooting hunting bullets in the industry. VLD Hunting Bullets are identical in design to VLD Target bullets except utilize a thinner J4 Precision jacket for rapid expansion during game applications. VLD Hunting Bullets are designed to penetrate 2-3" and then begin to expand and create a massive wound cavity up to 15". The hydrostatic shock causes most animals to drop immediately. VLD Hunting Bullets incorporate a secant ogive design which allows the bullet to experience less drag as it travels to the target. This reduced drag is why the VLD shoots flatter, experiences less wind-drift, and has a higher retained velocity than all others. A favorite load technique for the VLD's is touching the rifling for single-shot applications, although some rifles may prefer as much as .150" from the rifling. Berger VLD Hunting Bullets are extremely popular for long range hunting applications. Built with highly consistent J4 Precision Bullet jackets, most favored by custom bullet makers.

Berger 30 cal 210 gr Match Hunting VLD Bullets - 100

VLD Hunting 30 Caliber (0.308") VLD Boat Tail Bullets Safety Instructions

Introduction

Thank you for choosing the VLD Hunting 30 Caliber (0.308") VLD Boat Tail Bullets by Berger Bullets. This guide provides essential safety information and instructions to ensure the safe use of this product. Please read this manual carefully before using the bullets.

General Safety Guidelines

- Always treat all ammunition and bullets as if they are loaded and ready to fire.
- Store bullets in a cool, dry place away from direct sunlight and moisture.
- Keep bullets out of reach of children and unauthorized persons.
- Regularly inspect bullets for any signs of damage or defects before use.
- Follow all local laws and regulations regarding the purchase, storage, and use of ammunition.
- Use appropriate personal protective equipment (PPE) when handling bullets, such as safety glasses and gloves.

Specific Safety Precautions for Use

- Ensure that your firearm is compatible with 30 Caliber (0.308") ammunition before use.
- Only use bullets that are intended for your specific firearm and purpose.
- Avoid using damaged or corroded bullets, as they may pose safety risks.
- Do not exceed the recommended load specifications for your firearm.
- Always follow the manufacturer's instructions for your firearm and ammunition.
- Be aware of your surroundings and ensure a safe shooting environment.
- Never point a firearm at anything you do not intend to shoot.

Instructions for Installation and Usage

- Before loading bullets into your firearm, ensure that it is in a safe and secure condition.
- Load bullets according to the manufacturer's guidelines for your specific firearm.
- After loading, always check that the firearm is functioning correctly and safely.
- When ready to shoot, maintain a proper shooting stance and grip.
- After firing, unload your firearm in a safe manner and inspect it for any issues.
- Store any unused bullets in their original packaging to maintain their integrity.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash or recycling bins.
- Contact local authorities or hazardous waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the VLD Hunting 30 Caliber (0.308") VLD Boat Tail Bullets, please refer to the appropriate contact point within the EU.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with the VLD Hunting 30 Caliber (0.308") VLD Boat Tail Bullets. Always prioritize safety and compliance with local laws

while handling and using ammunition. Thank you for your attention to these important safety measures.
