

VLD HUNTING 30 CALIBER (0.308") VLD BOAT TAIL BULLETS - BERGER BULLETS 30 CALIBER (0.308") 175GR VLD BOAT TAIL 100/BOX

[Reloading](#) > [Bullets](#) > [Rifle Bullets](#)

The Berger VLD Hunting Bullet is one of the flattest shooting hunting bullets in the industry. VLD Hunting Bullets are identical in design to VLD Target bullets except utilize a thinner J4 Precision jacket for rapid expansion during game applications. VLD Hunting Bullets are designed to penetrate 2-3" and then begin to expand and create a massive wound cavity up to 15". The hydrostatic shock causes most animals to drop immediately. VLD Hunting Bullets incorporate a secant ogive design which allows the bullet to experience less drag as it travels to the target. This reduced drag is why the VLD shoots flatter, experiences less wind-drift, and has a higher retained velocity than all others. A favorite load technique for the VLD's is touching the rifling for single-shot applications, although some rifles may prefer as much as .150" from the rifling. Berger VLD Hunting Bullets are extremely popular for long range hunting applications. Built with highly consistent J4 Precision Bullet jackets, most favored by custom bullet makers.

Berger 30 cal 175 gr Match Hunting VLD Bullets - 100

VLD Hunting 30 Caliber (0.308") VLD Boat Tail Bullets Safety Instructions

Introduction

Thank you for choosing the Berger 30 cal 175 gr Match Hunting VLD Bullets. This guide provides essential safety instructions to ensure the safe use of our product. Please read this manual carefully to understand the safety guidelines, usage instructions, and contact information for support.

General Safety Guidelines

- Ensure safe handling and use of all ammunition products.
- Always treat every bullet as if it is loaded and ready to fire.
- Keep bullets out of reach of children and unauthorized users.
- Store bullets in a cool, dry place to prevent deterioration.
- Follow all local laws and regulations regarding ammunition storage and use.
- Be aware of your surroundings when handling bullets to avoid accidents.

Specific Safety Precautions for Use

- Use only in firearms that are specifically chambered for 30 caliber (0.308") ammunition.
- Wear appropriate safety gear, such as eye and ear protection, when shooting.
- Do not modify the bullets or attempt to reload them without proper knowledge and equipment.
- Inspect bullets for any signs of damage before use.
- Do not use bullets that have been exposed to moisture or extreme temperatures.

Instructions for Installation and Usage

- Ensure your firearm is unloaded before inserting bullets.
- Load bullets into the magazine or chamber according to your firearm's manual.
- Always follow the manufacturer's instructions for your specific firearm model.
- When firing, maintain a proper stance and grip on the firearm.
- After firing, ensure the firearm is safe before handling or reloading.

Disposal Instructions

- Dispose of any unused or damaged bullets in accordance with local regulations.
- Do not throw bullets in regular trash. Contact local authorities for proper disposal methods.
- Ensure that all spent casings and bullet remnants are disposed of safely to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the safety or use of Berger 30 cal 175 gr Match Hunting VLD Bullets, please contact the appropriate authorities or consult the product packaging for further support resources.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Berger VLD Hunting Bullets. Always prioritize safety and responsible use. Thank you for choosing our product.
