

# SEATER DIES - REDDING SEATER DIE 35 WINCHESTER

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

# SEATER DIES REDDING SEATER DIE 35 WINCHESTER Safety Instruction Guide

## Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 35 WINCHESTER. This product is designed for safely seating bullets in reloading cartridges. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle all reloading equipment with care and follow all safety protocols.
- Ensure that you are familiar with the reloading process and the specific requirements for the .35 Winchester cartridge before using this die.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die for any damage or wear before each use. Do not use if damaged.
- Follow the manufacturer's instructions and guidelines for use, maintenance, and storage.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves while reloading.
- Ensure proper ventilation in your reloading area to avoid inhalation of any fumes or dust.
- Do not exceed the recommended load specifications for the .35 Winchester cartridge.
- Be cautious of the potential for double charging or undercharging cartridges.
- Always verify the seating depth of bullets to ensure they meet specifications for safe use.
- Never use the die for any purpose other than its intended use.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your reloading press is stable and securely mounted.
- Insert the Redding Seating Die into the press according to the manufacturer's instructions.
- Adjust the die to the desired seating depth as per the specifications for the .35 Winchester cartridge.

### 2. Usage

- Begin by preparing your cases and ensuring they are clean and free from obstructions.
- Place a bullet on top of the case mouth and position it under the die.
- Slowly raise the press handle to seat the bullet into the case.
- Inspect each completed cartridge for proper seating and overall quality.

## Disposal Instructions

- Dispose of any unused or damaged components according to local regulations.
- Do not dispose of reloading materials in regular household waste.
- Check with local authorities for proper disposal methods for hazardous materials.

## **Contact Information for Further Support**
