Safety Instruction Guide for SEATER DIES

REDDING SEATER DIE 3020 TC

Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 3020 TC. This product is designed for precision bullet seating in reloading applications. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always ensure that the die is used in accordance with the manufacturer's specifications.
- Inspect the die for any signs of damage or wear before use.
- Keep the die out of reach of children and unauthorized users.
- Use appropriate safety gear, including eye protection, when using this product.
- Be aware of your surroundings and ensure that the work area is clear of any hazards.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the die is compatible with the cartridge you are using (3020 TC).
- Do not exceed the recommended pressures for the cartridge to avoid accidents.
- Always use the bullet guide and crimp ring as instructed to ensure proper seating.
- Avoid wearing loose clothing or jewelry that may get caught in machinery.
- Always work in a wellventilated area to avoid inhaling any harmful fumes or particles.
- Follow all local laws and regulations regarding reloading and ammunition.

Instructions for Installation and Usage

1. Installation:

- Securely mount the die in a compatible reloading press.
- Ensure that the die is tightened properly to avoid movement during use.
- Attach the bullet guide and crimp ring as per the manufacturer's instructions.

2. Usage:

- Place the cartridge case into the reloading press.
- Insert the bullet into the cartridge case using the bullet guide.
- Operate the press to seat the bullet to the desired depth.
- Inspect the seated bullet for proper alignment and depth.
- If crimping is required, follow the specific instructions for using the crimp ring.

3. PostUsage:

- Clean the die after each use to maintain its performance.
- Store the die in a safe, dry place when not in use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the die becomes damaged beyond repair, dispose of it as per local hazardous waste guidelines.

Contact Information for Further Support

For any questions regarding the use, safety, or maintenance of the SEATER DIES REDDING SEATER DIE 3020 TC, please consult the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your SEATER DIES REDDING SEATER DIE 3020 TC. Thank you for your attention to safety!
