

# SEATER DIES - REDDING SEATER DIE 303 SAVAGE

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

The Redding Seating Die includes bullet guide, built-in crimp ring and the proper seating plug. All dies are made using the finest alloy steels obtainable and machined on Hardinge Super-Precision lathes capable of holding the tightest tolerances in the industry. Heat treated in atmospherically controlled furnaces and hand polished for smooth, flawless functioning, these dies will maintain tolerances and last a lifetime. Inspected and ultrasonically cleaned before packaging.

# Safety Instruction Guide for SEATER DIES

## REDDING SEATER DIE 303 SAVAGE

### Introduction

Thank you for choosing the SEATER DIES REDDING SEATER DIE 303 SAVAGE. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of this product. It is crucial to follow these instructions to minimize risks and ensure a safe experience.

### General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the product is used only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage or wear before each use.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

### Specific Safety Precautions for Use

- The die is designed for use with 303 Savage cartridges only. Using it with other cartridges may result in malfunction or injury.
- Ensure that the die is securely mounted in your reloading press before use.
- Do not attempt to modify or alter the die in any way.
- Be aware of your surroundings and ensure that no one is in close proximity when operating the die.
- Always follow the recommended load data and procedures for reloading ammunition.
- Ensure proper ventilation when reloading to avoid inhalation of any fumes or particles.
- Never use the die if you are tired, under the influence of drugs or alcohol, or distracted.

### Instructions for Installation and Usage

#### 1. Installation:

- Remove the die from its packaging and inspect for any damage.
- Securely attach the die to your reloading press according to the manufacturer's instructions.
- Ensure the bullet guide and crimp ring are properly positioned.

#### 2. Usage:

- Adjust the seating plug to the desired depth for the bullet being used.
- Insert the cartridge case into the die and follow the reloading procedure.
- Monitor the seating depth and crimping process closely.
- After use, clean the die to remove any residue and ensure optimal performance.

### Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the die is damaged beyond repair, dispose of it in accordance with local waste disposal regulations.
- Do not throw the die in regular trash if it contains hazardous materials; consult local disposal guidelines.

## **Contact Information for Further Support**

For any inquiries or additional support, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your SEATER DIES REDDING SEATER DIE 303 SAVAGE. Thank you for prioritizing safety.
