Safety Instruction Guide for Redding Seating Die 219 Zipper

Introduction

Thank you for choosing the Redding Seating Die 219 Zipper. This product is designed to provide precision and reliability for your reloading needs. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the die in accordance with the manufacturer's instructions.
- Ensure that the work area is clean, dry, and welllit to prevent accidents.
- Keep the die and all reloading tools out of reach of children and unauthorized users.
- Wear appropriate safety gear, including safety glasses and gloves, when using the die.
- Regularly inspect the die for wear or damage before each use. Do not use if damaged.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- The die may produce sharp edges that can cause cuts.
- Improper use may lead to misfires or other dangerous conditions.

- **Avoiding Hazards:**

- Always follow the recommended procedures for seating bullets to avoid improper seating.
- Do not exceed the maximum load specifications provided by the bullet and powder manufacturers.
- Ensure that the die is securely fastened to the reloading press to prevent movement during use.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18 without adult supervision.

Instructions for Installation and Usage

1. Installation:

- Ensure that your reloading press is securely mounted.
- Insert the Redding Seating Die into the press and tighten it according to the manufacturer's specifications.
- Adjust the seating depth as needed using the builtin crimp ring and seating plug.

2. Usage:

- Place a cartridge case into the press.
- Insert a bullet into the case mouth and align it with the die.
- Pull the handle of the press smoothly to seat the bullet.
- Inspect the seated bullet for proper depth and alignment before proceeding to the next round.

Disposal Instructions

- Dispose of any damaged or worn dies in accordance with local regulations.
- Do not throw the die in regular trash; consider recycling options if available.
- Ensure that all components are properly disposed of to prevent environmental harm.

Contact Information for Further Support

For any questions or concerns regarding the Redding Seating Die 219 Zipper, please reach out to the manufacturer's customer support. Ensure to have the product details ready for a more efficient response.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
