# Safety Instruction Guide for Redding Seater Die 222 Rem Mag

## Introduction

Thank you for choosing the Redding Seater Die 222 Rem Mag. This product is designed with precision and safety in mind. It is important to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

## General Safety Guidelines

- Always read and understand the product instructions before use.
- Ensure that the die is suitable for your specific cartridge and reloading setup.
- Keep the die and all reloading components out of reach of children and unauthorized users.
- Inspect the die regularly for signs of wear or damage. Do not use a damaged die.
- Store the die in a dry, cool place to prevent corrosion or damage.
- Dispose of any damaged or wornout dies according to local regulations.

## Specific Safety Precautions for Use

- Always wear safety glasses when reloading ammunition to protect your eyes from potential hazards.
- Use the die only for its intended purpose; do not modify or alter it.
- Ensure the work area is clean and organized to avoid accidents.
- Follow all local laws and regulations regarding ammunition reloading.
- Be aware of your surroundings and ensure that no one is in close proximity while you are reloading.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that your reloading press is securely mounted and stable.
- Insert the Redding Seater Die into the press according to the manufacturer's instructions.
- Adjust the die to the desired seating depth using the builtin crimp ring and seating plug.

### 2. Usage:

- Prepare your cases and ensure they are clean and free from debris.
- Place a bullet into the die and raise the ram of the reloading press to seat the bullet.
- Check the seating depth regularly to ensure consistency and accuracy.
- After reloading, inspect each cartridge for proper seating and crimping.

## Disposal Instructions

- Dispose of any defective or wornout dies in accordance with local waste disposal regulations.
- Do not throw the die in regular trash if it is considered hazardous waste. Check with local authorities for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or product issues, please contact the manufacturer or your retailer. Ensure you have your product details ready for a more efficient response.

## Conclusion

By following these safety instructions, you can ensure a safe and effective reloading experience with your Redding Seater Die 222 Rem Mag. Always prioritize safety and stay informed about best practices in reloading. Thank you for your attention to these guidelines.
