

# SINCLAIR POWDER MEASURE STAND (7/8" STYLER) - POWDER MEASURE STAND, 7/8" STYLE

[Reloading](#) > [Powder Handling](#) > [Measure Stands & Accessories](#)

Powder measure stands made by other manufacturers left us wanting. We needed something that didn't have to be bolted down, would be easily adjustable in height for each person's preference, and could be adjusted to the different bench thicknesses that you find when loading away from home. A stand is always handy for shooters who don't have space for a permanent measure stand on their reloading bench. Our stand fits easily into a field box, and is ready to go when you take your powder measure to the range or a match. One model is available for custom measures and the second model is for standard measures 7/8 to fourteen. We use the stands to raise drop tubes to a comfortable loading position. Constructed with 7/8 inch diameter stainless steel tubing and featuring three points of contact for a non-slip secure mounting position. 11-1100 C-Clamp Measures like Harrells 11-1200 7/8 inch to fourteen Measures like Redding or RCBS

# SINCLAIR POWDER MEASURE STAND Safety Instruction Guide

## Introduction

Thank you for choosing the SINCLAIR POWDER MEASURE STAND (7/8" Styler). This guide provides important safety information and instructions to ensure the safe and effective use of your powder measure stand. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as described in this manual.
- Always inspect the stand for any visible damage or wear before use.
- Keep the stand out of reach of children and vulnerable individuals.
- Do not use the stand in wet or damp conditions to prevent slipping or instability.
- Ensure the stand is placed on a flat, stable surface to avoid tipping.
- Be cautious when adjusting the height of the stand to prevent pinching or injury.
- Always secure the powder measure properly to prevent spills or accidents.
- If you experience any issues or concerns while using the product, stop using it immediately and consult the manufacturer.

## Specific Safety Precautions for Use

- **Height Adjustment:** When adjusting the height of the stand, do so slowly and carefully to avoid sudden movements that may cause injury.
- **Mounting:** Ensure that the three points of contact are securely mounted before use. Check that the Cclamp is tightened properly.
- **Weight Limit:** Do not exceed the recommended weight limit for the powder measure. Refer to the product specifications for details.
- **Storage:** When not in use, store the stand in a dry and safe location to avoid damage.
- **Transport:** When transporting the stand, ensure it is securely packed to prevent damage during transit.

## Instructions for Installation and Usage

1. **Unpacking:** Carefully remove the powder measure stand from its packaging. Ensure all parts are included as per the product specifications.
2. **Setting Up:**
  - Place the stand on a flat surface.
  - Adjust the height to your preference by loosening the adjustment knob, setting to the desired height, and tightening the knob securely.
  - If using the Cclamp, attach it to the edge of your reloading bench or table, ensuring a secure fit.
3. **Mounting the Powder Measure:**
  - Attach your powder measure to the stand according to the manufacturer's instructions.
  - Ensure the powder measure is securely fastened and stable before use.
4. **Using the Stand:**
  - Use the stand to raise drop tubes to a comfortable loading position.
  - Always monitor the area around the stand while in use to ensure safety.
5. **After Use:**
  - Disconnect the powder measure and store the stand in a safe location.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is damaged or no longer functional, consider recycling materials where possible.
- Do not dispose of the stand in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any inquiries regarding safety or usage, please refer to the manufacturer's contact information provided with your product packaging. Always ensure that you have the latest safety updates and product recalls by checking the EU's Safety Gate platform.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using the SINCLAIR POWDER MEASURE STAND.
